Skinner's Ghost:

Skinner's Ghost Quintin Jardine, 2010-09-15 Skinner faces the greatest most personal tests of his career in this gripping crime thriller Deputy Chief Constable Bob Skinner could be forgiven for thinking not only that someone up there doesn't like him but that someone down here is out to get him Suffering the strain of a marriage on the rocks the last thing he needs is for his private life to be plastered across the front pages of a sleazy tabloid To make matters worse two brutal murders and new allegations about Skinner himself make simultaneous headlines Unless he can clear his name and uncover the secret behind the series of brutal crimes he stands to lose everything his family his career and even his life and liberty *Skinner's Ghosts* Quintin Jardine, 2010 Skinner faces the greatest most personal tests of his career in this gripping crime thriller Deputy Chief Constable Bob Skinner could be forgiven for thinking not only that someone up there doesn't like him but that someone down here is out to get him

Skinner's Ghosts Quintin Jardine, 2014-01-10 Deputy Chief Constable Bob Skinner could be forgiven for thinking that someone is out to get him With his marriage already on the rocks he suddenly finds his private life plastered across the pages of a tabloid And then a woman already linked to Skinner by tragedy is found dead with her young son a kidnap victim Skinner finds himself at the centre of a deadly maze of conspiracy and unless he can clear his name he stands to lose everything *Can You Escape a Haunted Museum?* Megan Cooley Peterson, 2025-08 The reader chooses their own path through allegedly haunted museums facing spooky encounters and paranormal problems *The Masks of Hamlet* Marvin Rosenberg, 1992 Every reader is an actor according to Rosenberg To prepare the actor reader for insights Rosenberg draws on major interpretations of the play worldwide in theatre and in criticism wherever possible from the first known performances to the present day The book is rich and provocative on every question about the play

Defending Angels Mary Stanton, 2008-12-02 With a long list of ethereal clients who need her help Savannah lawyer Brianna Winston Beaufort's career choice is beginning to haunt her An already dead businessman needs Bree's help to find his murderer and prove his innocence against the charge of greed which comes from the mightiest hand of the law the Celestial Court And the verdict in this case could put Bree's life on the line as well as her client's afterlife **Contemporary Behaviorisms in Debate** Diego Zilio, Kester Carrara, 2021-08-27 This book presents and discusses seven contemporary theoretical approaches to behavior analysis that build upon the foundations laid by B F Skinner's radical behaviorism and renew its legacy These contemporary approaches show that behaviorism is not a monolithic or static intellectual tradition but a dynamic movement which changes and adapts in face of new questions issues and perspectives The death of behaviorism has been proclaimed since its early days a premature assessment to say the least but this volume shows that behaviorism is alive and kicking even thirty years after its main proponent passed away This volume contains seven sections each one dedicated to a particular variation of contemporary behaviorism Howard Rachlin's teleological behaviorism William Baum's molar behaviorism and multiscale behavior analysis John Staddon's theoretical behaviorism John Donahoe's biological

behaviorism Gordon Foxall s intentional behaviorism Steven Hayes contextual behaviorism or contextual behavioral science and Emilio Ribes I esta s field theory behaviorism Each section contains three chapters the first one written by the original proponent of each of these forms of behaviorism the second one written by a commentator and the third one written by the proponent replying to the commentator Contemporary Behaviorisms in Debate will be a valuable tool to behavior analysts and psychologists in general by providing an introduction to contemporary forms of behaviorism and promoting debates about the main philosophical issues faced by the field of behavior analysis today issues that can directly influence future epistemological variations in the selection process of behaviorisms By doing so the book is directed not only to the present but more importantly toward the future of the field

Possessions Judith Richardson,2009-07-01 The cultural landscape of the Hudson River Valley is crowded with ghosts the ghosts of Native Americans and Dutch colonists of Revolutionary War soldiers and spies of presidents slaves priests and laborers Possessions asks why this region just outside New York City became the locus for so many ghostly tales and shows how these hauntings came to operate as a peculiar type of social memory whereby things lost forgotten or marginalized returned to claim possession of imaginations and territories Reading Washington Irving s stories along with a diverse array of narratives from local folklore and regional writings Judith Richardson explores the causes and consequences of Hudson Valley hauntings to reveal how ghosts both evolve from specific historical contexts and are conjured to serve the present needs of those they haunt These tales of haunting Richardson argues are no mere echoes of the past but function in an ongoing contentious politics of place Through its tight geographical focus Possessions illuminates problems of belonging and possessing that haunt the nation as a whole
