Standerfer, 2019 In *Line by Line* author Stephanie L Standerfer harnesses years of pedagogical expertise in a practical guide to promote music learning by experience rather than imitation and memorization Using well known songs and a variety of instrumental accompaniments for all skill levels lesson plans encourage students to first learn music conceptually by internalizing the sound and feeling before learning musical symbols The lesson plans are tailored for five to seven spiraled class periods and take every student into consideration by suggesting ways to address specific student needs for those who need more time to process Separate Tracks Jane Rogers, 2012-08-23 The first novel from the acclaimed author of *Mr Wroe's Virgins* and *The Voyage Home* Orph is a strange silent friendless young man Emma meets him when she comes to work at the children's home where he lives She offers him a room in her student flat But there amid the love affairs and politics of university life Orph's alienation only grows deeper and his lonely course has the most desperate of consequences The writing has a bony strength the descriptive scenes are compelling though impressionistic like a documentary screen come true *The Guardian* There can be none better than Jane Rogers harsh lyrical and relentlessly realistic *Separate Tracks* This is a sad and dramatic story deeply felt though never stridently written It is a remarkable first novel breaking new ground *Financial Times* Deftly powerfully done It deserves to rank with *The Collector* *New Society* *Hogfather* Terry Pratchett, 2021-04-22 It's the night before Hogswatch And it's too quiet Superstition makes things work in the Discworld and undermining it can have consequences It's just not right to find Death creeping down chimneys and trying to say Ho Ho Ho It's the last night of the year the time is turning and if Susan gothic governess and Death's granddaughter sort of doesn't sort everything out by morning there won't be a morning Ever again Adapted by Terry Pratchett's long time collaborator Stephen Briggs this play text version of Pratchett's bestselling Discworld novel *Hogfather* wittily and faithfully reimagines the story for the stage *Content-Based Curriculum for Advanced Learners* Joyce VanTassel-Baska, Catherine A.
