Sky People:

The Sky People Tom Shakespeare, 1971 From dust jacket This long paper is compiled partly of scholarly anthropological material and partly of personal reminiscence Its subject is the American Indian and more specifically the Arapahoe Nation a full blooded Arapahoe who lived well into this century Spiritcarvers Antonella Sarti, 1998 In a land caught between the sea and cloud where the natural landscape still refuses civilization there are those the composers of words tellers of tales that help shape the minds of the people that live on its shores They are spiritcarvers New Zealand writing today is engaging in an intent struggle to subvert multiple shapes into voices These interviews as a record of biographical orature are shaped into presenting the figure of the storyteller through memory and language explorations of how we imagine and create ourselves with and into words Here we encounter the dichotomy of fiction and non fiction myth and consensual reality imagination and truth do we live within our own selected fictions Identity is shaped by the authors sense of displacement as well as of belonging meeting otherness with dispossession discovering connection through isolation Among the focal points of the interviews are the role of women s writing Maori writing interrelations among different cultures and the influence of literary and oral tradition within New Zealand Memoirs of the American Folk-lore Society , 1917 Native American Stories Joseph Bruchac, 1991 A collection of Native American tales and myths focusing on the relationship between man and nature

Promised Valley Rebellion Ron Fritsch, 2010-11-01 In Ron Fritsch s four Promised Valley novels prehistoric farmers inhabit a fertile river valley they believe their gods promised them in return for their good behavior and obedience Their enemies hunters roaming the mostly barren hills beyond the mountains enclosing the valley believe their gods gave it to them Promised Valley Rebellion the first book in the Promised Valley series is a story of forbidden love The farmers king refuses to allow the marriage of the coming of age prince to the daughter of the farmer who saved the king s life in the last war with the hunters Her brother decides he has to help his sister and the prince his boyhood friend correct the flagrant injustice That decision leads them and their allies into a youthful rebellion against the king and his officials who rule the kingdom from their bluff top town The far more numerous farmers in the villages below who despise the officials but not the king and who admire the prince are in a position to determine whether the rebels will succeed or face execution for treason Kirkus says the story encourages the reader to ponder the universal elements of the tale and calls the prehistoric world of the novel a strange primitive world that feels winningly real The US Review of Books says the novel is a good tale that feels real with a strong promise and a good twist at the end and a good book to read by the fire in wintertime Promised Valley Rebellion is the winner of the gold medal in the Literary Fiction category of the 2010 eLit Awards competition Promised Valley Rebellion is the first place winner in the Gay Lesbian and Transgender Fiction category of the 2011 National Indie Excellence Awards competition Promised Valley Rebellion is the winner of the silver medal in the Historical Fiction category and a finalist in the General Fiction category of the 2011 Readers Favorite awards competition
