**Lifespan Forged In Demon Blood** Caroli Camacho, Thrown into a demon-infested battlefield the moment he transmigrates, Chen Yu awakens as nothing more than expendable cannon fodder in the Blood Soldier Camp, a place where criminals are sent to die. Surrounded by mutated blood vines, abandoned by the so-called righteous army, and facing certain death, survival is his only choice. Then comes the price of power: by burning away his own lifespan, Chen Yu forcibly deduces martial arts to their absolute limits, turning decades of cultivation into a single moment of enlightenment. What should have cost him everything instead awakens a terrifying truth: demon lifespans can replace his own. From that instant on, the battlefield becomes his harvest ground, and demons become fuel for his ascension. This is not a heroic tale of justice and glory; it is a ruthless story of adaptation in a broken world where morality is a luxury and only strength decides who lives long enough to matter. Lifespan Forged in Demon Blood symbolizes power bought at the edge of death, cultivation built on slaughter, and a man who turns from disposable soldier into an existence even demons fear. In a world that treats him as fodder, Chen Yu chooses to consume fate itself.
