Slavery Past And Present:

The Bitter Legacy Alice Bellagamba, Sandra E. Greene, Martin A. Klein, 2011-11-30 This collection explores the effects of memories of African slavery on political social economic and religious behaviour today The articles take a range of approaches tackling the stigma of slave origins investigating religious communion with slave ancestors mining songs and children s stories for insights into the persistent memory of the continent s slave past and examining the techniques used by descendants of slave traders and slave owners to overcome their guilt such as worshipping the spirits of those enslaved by their ancestors

Slavery Past, Present and Future Catherine Armstrong, Jaya Priyadarshini, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2016 Spanning swaths of time and space slavery as a phenomenon has known intersections of class gender race caste etc The historical experiences of slaves is more or less lacking in the pedagogic or intellectual knowledge but its legacy in modern times is felt in the marginalisation stigmatisation remorse or shame of the slave descendants Contrary to historical slavery the presence of modern or twenty first century slavery is variously mired in the complex and contested terrains of its definition Today the political and economic context of human conditions globally has muddled the understanding of servitude Its resurgence in newer avatars along with institutional or informal upholders challenges its abolition Hearing the slave voices more than the hegemonic involvement of the abolitionists is required for its complete abolition A unified public activism and awareness as always will go a long way in ending it while upholding social justice

Slavery, Past and Present Roy Pinney, 1972

Human Bondage and Abolition Elizabeth Swanson, James Brewer Stewart, 2018-08-23 Slavery s expansion across the globe often escapes notice because it operates as an underground criminal enterprise rather than as a legal institution In this volume Elizabeth Swanson and James Brewer Stewart bring together scholars from across disciplines to address and expose the roots of modern day slavery from a historical perspective as a means of supporting activist efforts to fight it in the present They trace modern slavery to its many sources examining how it is sustained and how today s abolitionists might benefit by understanding their predecessors successes and failures Using scholarship also intended as activism the volume s authors analyze how the history of African American enslavement

might illuminate or obscure the understanding of slavery today and show how the legacies of earlier forms of slavery have shaped human bondage and social relations in the twenty first century
