Sisterlocking Discourse Valerie Lee, 2021-11-01 Finalist for the 2021 Foreword INDIES Book of the Year Award in the Education Category In Sisterlocking Discourse hair is a medium for reflecting on how academic leadership looks performs and changes when embodied by a Black woman In these ten essays Valerie Lee traverses disciplines and genres weaving together memoir literary analysis legal cases folklore letters travelogues family photographs and cartoons to share her story of navigating academia Lee's path is not singular or linear but rather communal and circular as she revisits her earliest years in her grandmother's home advances through the professoriate and senior administration and addresses her hopes and fears for her own children Drawing inspiration from the African American storytelling traditions she has spent decades studying and teaching Lee approaches issues of race gender social justice academic labor and

leadership with a voice that is clear intimate and humorous As she writes in the introduction *Sisterlocking Discoarse* is about braiding and breathing and believing that a Black woman s journey through the academy is important Lee s journey will appeal to students faculty and administrators across fields and institutions who are committed to making higher education more inclusive while speaking to the experiences of professional women of color more broadly

Dark Matter Andrew Sofer,2013-10-28 *Dark Matter* maps the invisible dimension of theater whose effects are felt everywhere in performance Examining phenomena such as hallucination offstage character offstage action sexuality masking technology and trauma Andrew Sofer engagingly illuminates the invisible in different periods of postclassical western theater and drama He reveals how the invisible continually structures and focuses an audience s theatrical experience whether it s black magic in *Doctor Faustus* offstage sex in *A Midsummer Night s Dream* masked women in *The Rover* self consuming bodies in *Suddenly Last Summer* or surveillance technology in *The Archbishop s Ceiling* Each discussion pinpoints new and striking facets of drama and performance that escape sight Taken together Sofer s lively case studies illuminate how dark matter is woven into the very fabric of theatrical representation Written in an accessible style and grounded in theater studies but interdisciplinary by design *Dark Matter* will appeal to theater and performance scholars literary critics students and theater practitioners particularly playwrights and directors

Methods in Psychobiology R. D. Myers,2013-09-17 *Methods in Psychobiology* Volume 3 *Advanced Laboratory Techniques in Neuropsychology and Neurobiology* is devoted in large measure to specialized techniques that are widely used in the fields of psychobiology and neurobiology The experimental methods described form a companion to those presented in Volumes 1 and 2 Many of the procedures presented hinge directly on a mastery of the more rudimentary techniques dealt with in the earlier volumes The emphasis in the content of this book is on one facet of neurobiology the mammalian central nervous system The central or peripheral processes that affect this system in a rat or larger laboratory animal constitute the principal focus of this series This is due in large part to the enormous amount of research carried out with higher species and the generalizations that it is hoped may be drawn to the nervous system of the human Topics discussed include neuronal connectivity chemical lesioning of indoleamine pathways evaluating sensation in animals after lesions treatment with drugs electrical stimulation cooling or radical changes in environment or development and sleep in animals
