Sigmon,2015-08-18 We all face difficult times Being a Christian does not mean we are immune from tragedies and physical and emotional pain Even so the way we react to any of these circumstances can forge our future and the future of others as well Sleeping with the Angels is the story of one womans struggles through difficult times and illness that left a lifelong lesson to family and friends Author Roger Sigmon tells the story of his mothers final weeks and how she impacted those around her by showing them how to live Life has often been called a journey not a destination Sleeping with the Angels shows how that journeys trials and challenges as well as its happy times can be opportunities for learning and teaching Sometimes at the end of the journey of life death comes not as an enemy but as a friend to release a diseased mind or body from its prison *Angels and Children* Teresa Henry,2019-01-17 Life can be really great and life can be challenging Everyone has hopes and dreams and everyone has fears Angels and Children recognises the universality of the human condition and can link us to our hopes and dreams Angels and Children aims to help children acknowledge the limitless love that exists at their true essence and it supports them to be aware that the angels are always with them The meditations and exercises give children strategies to communicate with the angels whenever they need or want to *Every Child Has a Guardian Angel* Thérèse Mary Smith,2015-01-30 One of the most important roles of any parent is to help his or her child become aware of who that child really is as a spiritual being living on Earth Every Child Has a Guardian Angel supports parents who wish their child to sense the loving energy of their guardian angel Through these exercises and meditations parents can successfully show and teach their children to feel the beauty of their true essence and communicate with their guardian angel Regularly practicing the exercises and meditations can make living with angels an everyday reality for children improving the quality of their lives and the lives of those around them Children coexisting with the angels in the same world is completely possible and can happen through parents being guided with the information and strategies in Every Child Has a Guardian Angel Our Familiar Songs and Those who Made Them Helen Kendrick Johnson,1909 *Dead Ends* J.T.
