**Color Instruction** Louis Prang, 2017-07-19 Excerpt from *Color Instruction: Suggestions for a Course of Instruction in Color for Public Schools*. A course of study for the introduction of color as a feature in public school instruction is given in the following pages. It is hoped that the true spirit of the work will be perceived by teachers that the course is not intended to be arbitrary and prescriptive, imposing knowledge upon the child, but that it rather aims to lead him to see, to feel, and in some degree to express the beauty and the power of color.
