Now he's heading home injured and troubled. She deserves so much more than the man that's left. All he can do now is put some healthy distance between them. But upon his return he discovers his family has arranged for him to stay with Paige. Paige is a nurturer at heart and happy to take care of her friend. But as the days pass, Paige begins to see that Riley's smiles and laughter are just a mask for the pain he's hiding. He has nightmares and mood swings and his unwavering independence keeps him from accepting help from her. As the weeks wear on with the two in such close proximity, Paige's feelings for Riley begin to shift into uncharted territory. Will she be able to deny her feelings for another Callahan brother? And will Riley let his heart heal so he can let Paige in?

Lake Season Denise Hunter, 2019-11-12 A young innkeeper falls in love with a reclusive novelist in a small North Carolina lake town. Past and present collide and old secrets beckon in this first installment of the Bluebell Inn Romance series. When her parents die in a tragic accident, Molly Bennett and her siblings pull together to fulfill their parents' dream of turning their historic Bluebell North Carolina home back into an inn. Staying in town would be temporary—three years at most—then they plan to sell the inn and Molly can get back to chasing her own dreams.

Adam Bradford, aka bestselling author Nathaniel Quinn, is a reclusive novelist with a bad case of writer's block. Desperate for inspiration as his deadline approaches, he travels to the setting of his next book: a North Carolina lake town. There he meets his muse, a young innkeeper who fancies herself in love with his alter ego, Molly. Molly and Adam strike up an instant friendship. When Molly finds a long-lost letter in the walls of her inn, she and Adam embark on a mission to find the star-crossed lovers and bring them the closure they deserve. But Adam has secrets he isn't ready to share. Past and present collide as truths surface and Molly and Adam will have to decide if love is worth trusting.
