**The Second Summoning** Tanya Huff,2025-10-14 Just when saving the world got fun again Keeper Claire Hansen s job has never been better There are still rips in the fabric of the universe for her to repair disasters to avert memories to adjust But it s far pleasanter with a handsome funny Bystander driving Claire and her talking cat through the sleet and snow in a warm truck reminding her to eat occasionally As long as she can keep him safe Dean is better than loveable he s great company Except Claire knows she can t keep him safe and it s her duty as a Keeper to refuse his great company along with everything else he s offering Which is Keeper speak for reluctantly dumping his admittedly amazing ass et al and continuing on her own But the Powers That Be have other ideas and next thing they know their uh reunion has resulted in an Angel and Demon running around Ontario with a few additions to their traditionally genderless anatomy One agent of cosmic chaos would be bad two is terrifying Add in the way Claire s equally chaotic teenage sister is interfering and this might be the battle of the sexes that ends it all

Discover the third book in the Keeper's Chronicles where two young women master the possibilities of time and space maintaining the balance between worlds to protect Earth. It started on the last day of high school a day Diana Hansen had been anticipating for the last twelve years. Now her real life could begin. For Diana like her sister Claire was a Keeper gifted with the ability to reweave the possibilities of time and space to maintain the balance between Light and Darkness. What neither Diana nor Sam formerly an angel now a cat could have anticipated was that her first Summons as an active Keeper would be to a shopping mall. But a quick trip to the Erlking's Emporium a gift shop in a Kingston mall confirmed Diana's worst suspicions. Not only was Darkness trying to stage a takeover from the Otherside but if Diana didn't bring in reinforcements her first Summons might well be her last. Claire and Austin who'd always been a cat and had little tolerance for cat wannabes like Sam were only too ready to take on their older and wiser roles. But neither the Keepers nor their cats were prepared for what they found when they tried to cross from their world to the Otherside mall.
