Sunday Tertulia:

The Sunday Tertulia Lori Marie Carlson, 2009-05-26 Heartfelt intelligent imagine Amy Tan s The Joy Luck Club crossed with Laura Esquivel s Like Water for Chocolate Carlson s love and appreciation for Latin cadences and culture comes though on every page Los Angeles Times Claire is a young struggling New Yorker whose understanding of life is enriched after a group of older and wiser Latina women bring her into a close knit circle their Upper West Side tertulia Once a month they come together for a Sunday afternoon of revelry at which delicious food and strong opinions are served up in equal measure Through their recollections and counsel Claire comes to know the colorful exotic and sometimes contradictory attitudes that informed these women s lives She begins to see her own challenges through a prism more poetic and worldly Humorous and bittersweet The Sunday Tertulia brings to life cherished Latin traditions and celebrates women s wisdom and spirituality

Women, Men and Persons Britt-Marie Thurén, 2025-06-06 Urban ethnography about gender change Madrid in the 1990s was a lively place This book presents ethnographic examples and analyses of the way gender meanings were changing The context is middle class comparisons are made with an earlier work in a working class area of Valencia The theoretical focus is on processes of cultural change using mainly speech in natural situations as the empirical base since talking is one form of doing The historical and social background is also described Madrilenian conversations were full of examples from all walks of life and personal situations The historical moment was one of change from an authoritarian society to a more democratic one These larger circumstances were often symbolized in terms of gender issues A common idea in Madrilenian discussions was that women should be or become persons This use of the concept person has little to do with individualism or psychology It was rather an everyday way of expressing opposition to essentialized and hierarchical categorizations The phrase meant that a person is an active human being who refuses to be categorized by others whereas a woman must look and behave so that her gender is clearly contrasted to that of a man And this it was thought places women at a disadvantage But there were also those who thought that a woman can only be a person if she is a woman first **Angeles Mastretta** Jane Elizabeth Lavery, 2005 The first major study on the works of the Mexican novelist Angeles Mastretta demonstrating the rich complexity and range of the author s fiction and essays The Mexican novelist Angeles Mastretta b 1949 has only recently received serious critical attention largely because her work has been seen as popular and therefore inappropriate for academic study This first major work to be published on Mastretta seeks to demonstrate the rich complexity and range of the author s fiction and essays In the tradition of Post Boom Latin American women s writing Mastretta s texts are motivated by a desire to speak primarily of the silenced experiences and voices of women Two of her novels referential and testimonial in style can be placed within the Mexican Revolutionary Novel tradition and explore the Revolutionary period and its consequences in the light of female experiences and perspectives The hitherto unexplored themes of female sexuality and bodily erotics in Mastretta s texts are also considered in this volume Her feminist works avoid facile simplifications heterogeneous and

dialogical they interweave the historical and the fictional the everyday and the fantastic The originality of Mastretta s writing lies in its elusive postmodern ambiguities shimmering surfaces are often interrupted by unexpected depths and proliferating meanings cannot be fully circumscribed by critical analysis Jane Elizabeth Lavery lectures in Latin American Studies at the University of Kent *Bibliographic Guide to Chicana and Latina Narrative* Kathy Leonard,2003-08-30 There has been a dramatic increase in the amount of narrative work published by Chicana and Latina authors in the past 5 to 10 years Nonetheless there has been little attempt to catalog this material This reference provides convenient access to all forms of narrative written by Chicana and Latina authors from the early 1940s through 2002 In doing so it helps users locate these works and surveys the growth of this vast body of literature The volume cites more than 2 750 short stories novels novel excerpts and autobiographies written by some 600 Mexican American Puerto Rican Cuban American Dominican American and Nuyorican women authors These citations are grouped in five indexes an author title index title author index anthology index novel index and autobiography index Short annotations are provided for the anthologies novels and autobiographies Thus the user who knows the title of a work can discover the author the other works the author has written and the anthologies in which the author s shorter pieces have been reprinted along with information about particular works *The Sunday Magazine* ,1889 *The New Yorker* Harold Wallace Ross,Katharine Sergeant Angell White,2000-04 **Symposium** ,1959 A quarterly journal in modern foreign literatures **What Do I Read Next?** ,2001 **Lonely Planet Portugal** Julia Wilkinson,John King,2001 Travel guides explore countries regions and cities in depth and for every budget with reliable easy to use maps first hand recommendations well researched background information and thorough up to date coverage of all the sights on and off the beaten track There are more than 230 titles in this classic series covering nearly every country in the world comprehensive guide to Portugal s sun kissed beaches colourful markets and medieval castles loads of tried and tested accommodation options to suit all budgets the best port and Madeira tasting tours in the region up to date information on sporting events football and bullfighting insider entertainment advice including festas feira and fado To Mend the World Marjorie Agosín,Betty Jean Craige,2002 A thought provoking collection of essays written for this anthology **American Book Publishing Record** ,2000-07 Library Journal ,2000 Latina Magazine ,2005 *Dancer and the Thief* Antonio Skarmeta,2009-01-27 A story of politics ballet and a spectacular heist by a reluctant master thief and his eager young protégé With prisons overflowing in Chile the president declares a general amnesty for all nonviolent criminals ngel Santiago a youth determined to avenge abuse he received in jail seeks out the notorious bank robber Nicol s Vergara Grey whose front page exploits won him a reputation he would rather leave behind Their plan for an ambitious and daring robbery is complicated by the galvanizing presence of Victoria Ponce a virtuosic dancer and high school dropout whose father was a victim of the regime Praised for his ability to place a personal story in the context of a national upheaval and make it warm funny and universal San Francisco Chronicle Antonio Skarmeta sets this exuberant love story against the backdrop of the new Chile free
