Super Apostle Brothers:

Super Apostle Brothers Daniel Preston, 2003 Two boys and a girl embark on a fictional story into the realm of Christian cults Their adventure illustrates the simplicity of the gospel of Jesus Christ the importance of having a personal relationship with God and how forgiveness plays a key role in recovering from spiritual abuse God's Super-Apostles R. Douglass Geivett, Holly Pivec, 2018-07-27 God's Super Apostles provides a concise entry level overview of the key teachings and practices of the New Apostolic Reformation NAR movement This is a key resource in grasping the significance of this global confusing and controversial movement **The Brother of Jesus and the Lost Teachings of Christianity** Jeffrey J. Bütz, 2005-01-25 Reveals the true role of James the brother of Jesus in early Christianity Uses evidence from the canonical Gospels apocryphal texts and the writings of the Church Fathers to reveal the teachings of Jesus as transmitted to his chosen successor James Demonstrates how the core message in the teachings of Jesus is an expansion not a repudiation of the Jewish religion Shows how James can serve as a bridge between Christianity Judaism and Islam James has been a subject of controversy since the founding of the Church Evidence that Jesus had siblings contradicts Church dogma on the virgin birth and James is also a symbol of Christian teachings that have been obscured While Peter is traditionally thought of as the leader of the apostles and the rock on which Jesus built his church Jeffrey B tz shows that it was James who led the disciples after the crucifixion It was James not Peter who guided them through the Church's first major theological crisis Paul's interpretation of the teachings of Jesus Using the canonical Gospels writings of the Church Fathers and apocryphal texts B tz argues that James is the most overlooked figure in the history of the Church He shows how the core teachings of Jesus are firmly rooted in Hebraic tradition reveals the bitter battles between James and Paul for ideological supremacy in the early Church and explains how Paul's interpretations which became the foundation of the Church are in many ways its betrayal B tz reveals a picture of Christianity and the true meaning of Christ's message that are sometimes at odds with established Christian doctrine and concludes that James can serve as a desperately needed missing link between Christianity Judaism and Islam to heal the wounds of centuries of enmity **Second Corinthians** Larry Kreitzer, 1996-11-01 This Guide explores the controversial place that 2 Corinthians has within Pauline studies Special attention is given to the contribution that the epistle makes to our understanding of Paul's views on such matters as his apostolic ministry his interpretation of scripture and his ecclesiology A summary of scholarly debate about the placement of 2 Corinthians within the larger setting of the Pauline corpus is also provided *Ecclesial Solidarity in the Pauline Corpus* James T. Hughes, 2019-06-12 Over the years there have been many treatments of Paul's theology that have focused on what the churches he wrote to were like and what that might mean for today However what Paul says about relationships between churches has been frequently neglected or only briefly considered This book analyzes Paul's use of the word church as well as family imagery holiness language body imagery and Paul's understanding of imitation and apostleship to demonstrate the breadth of his understanding of

relationships between churches of inter church solidarity Inter church solidarity is shown to be integral to Paul s understanding of church from the earliest letters and the book exposes a rich tapestry of relationships that should challenge and encourage the church in the twenty first century
