Sweet Kids:

Sweet Texas Charm Robyn Neeley,2020-04-14 Small town Big secrets Welcome to Sweet Ridge Grayson Cooper is livid when he learns his father left him a keychain with a strawberry charm rather than ownership of the successful Guac Ole company He s been groomed for this position since he escaped the factory floor as a teen and joined Jack in the corporate offices But what good is the CEO title without the stock shares College dropout Becca Nash is dumbfounded to learn that she now owns controlling voting stock in the company where she s just a line supervisor The pay bump will help her take care of her mother s nursing home care but the corporate halls intimidate her and who wants to hobnob with those snobs anyhow Stymied at every turn by her attitude Grayson tries to steal back those shares but surprisingly loses his heart to Becca instead What he does discover is a secret that could blow apart not only Becca s world but his whole family With so much hanging in the balance Grayson must decide whether it s better to follow his head or his heart **Bitter Sweet Al**

Duhan,2012-09-20 After escaping from a tortured childhood in Connecticut I left home at a young age and traveled to California The torture had followed me where ever I went There was a battle between the officer and I but was able to escape I was captured and incarcerated for the robbery that I had no knowledge of While I was serving a two year sentence my fiance Bonnie was raped and became pregnant with his child She pleaded for me to stay but not having employment I must return to Connecticut We were talking about her baby and I told her I could still love you but I could never love the baby Then I heard strange noises She was punching her stomach and screaming I will kill it I will kill it for you I screamed back at her I had nothing to do with this But I knew I should have never said that Then I had a nightmare that I went back to California to see Bonnie I was able to see that she was lying with her hand in a large pool of blood Why God Why her Was this a Paranormal Migration The story that you are about to read has been compared with novels as Love Story Splendor in the grass But has much more excitement and nerve racking moments Features Love Rape Murder and false imprisonment and is a must read for all people entering their road to life Licking Sweet Death Hugo Rodier,2010-05 There is an epidemic sweeping the country It kills more people than any other disease or any war Obesity and diabetes are changing the way we look and how our bodies function We are poisoning our cells so that they cannot communicate with each other effectively The statistics are well known and they are only getting worse So what is really going on It boils down to something called insulin resistance Your body has between 50 100 trillion cells in it These cells respond to insulin in a variety of ways that are necessary for a healthy functioning body When insulin resistance develops the normal amounts of insulin are not enough Why does this happen The membrane or outer skin of each cell in our body no matter what type of cell are TOILING that is the cell membranes are T toxic O oxidized I inflamed and L less optimal mitochondrial function The cause of this is an addiction to sugar and processed food Licking Sweet Death is an indispensable guide to regaining your health and licking your addiction to foods that are poisoning your body for good Author Hugo Rodier M D is an adjunct professor at the University of Utah
