Sweet Terror:

Sweet Talking Man Betina Krahn, 2009-08-19 Betina Krahn the New York Times bestselling author of *The Soft Touch* and *The Perfect Mistress* casts her beguiling spell once more with this warm and witty love story She was an independent woman with only one weakness an irresistible downtown man An immovable uptown lady rich suffragette Beatrice Von Furstenberg was tough enough to trade stocks on Wall Street and smart enough to resist the temptation of passion Adamant about women being independent and without a romantic bone in her lovely body she had sternly refused to give her moonstruck sixteen year old ward permission to wed an eighteen year old suitor Now the desperate teens have dreamed up a mock robbery and a daring rescue to change Beatrice s mind Attorney Connor Barrow a rogue of an Irishman with a silver tongue remembers all too well the burning desires of youth So he agrees to help in a crazy plan that will land him in a world of trouble Suddenly he is responsible for the most influential lady in the city being locked up in a brothel furious and threatening his ruin Neither of them expects that first breathless kiss a deal that would make the devil himself blush and most of all the ways love can change a man s mind and open a woman s heart Weird Mysticism Brad

Baumgartner, 2020-11-17 Weird Mysticism identifies and evaluates a new category of theoretical inquiry by showing the influence of speculative writing on three intersecting critical categories horror fiction apophatic mysticism and philosophical pessimism Exploring the work of Thomas Ligotti Georges Bataille and E M Cioran Baumgartner argues that these weird mystics employ an innovative mode of negative writing that seeks to merge new conceptions of reality While exploring perennial questions about the absolute the Outside and other philosophical concepts these authors push the limits of representation experimenting with literary form genre bending and aphoristic discourse As their works reveal the category of weird mysticism both conjoins and obscures the link between traditional mysticism and philosophical horror fiction with weirdness itself being the central magnet that draws the seemingly disparate realms of horror fiction philosophy and mysticism together Highlighting the theoretical stakes of the horror genre Baumgartner s study reveals how the mystical potentially recuperates the limits of philosophical thinking enabling reflection on and possibly challenging the limits of human understanding **The Musician** Francis Lealy Dominick Waters, 1903 Columba John Huntley Skrine, 1893
