Broken Jar Jan Doke, 2009-07 Broken Jar is for those who wish to be transformed by the Potter from a showboat into an ark of testimony for Him It is for earthen vessels who know that to be continually molded by His hands even broken and reformed if need be is the only way to keep bearing His hallmark the only way to continue glorifying the true Potter From January through December these daily devotionals anchored deeply in the Word of God ask challenging questions about growing pains and comfortable stagnation Are we allowing the Potter to do as He pleases with us the clay Do we trust Him to put pressure where it is needed to mold us to His liking or do we stiffen at and shrink from His touch When we arrive at a shape we like do we grow so proud and possessive of this present form that we disengage ourselves from the wheel to harden into an independent and finished pot to remain permanently fixed This book is for those jars who refuse to stay fixed Jan Doke is a retired high school English Bible Literature teacher She lives in Belton Texas with her husband Larry When she is not writing she enjoys studying and teaching the Bible speaking at women s retreats mentoring at a drug rehab center traveling hiking fishing cooking and playing with her five grandchildren She has been published in Christian Woman magazine and is currently working on her first novel Out of the Chute in Azalea Heights [United States Plant Patents](#) United States Patent and Trademark Office, 1997-09-02

Memory, Oblivion, and Jewish Culture in Latin America Marjorie Agosín, 2005-05-01 Latin America has been a refuge for Jews fleeing persecution from 1492 when Sephardic Jews were expelled from Spain until well into the twentieth century when European Jews sought sanctuary there from the horrors of the Nazi Holocaust Vibrant Jewish communities have deep roots in countries such as Argentina Mexico Guatemala and Chile though members of these communities have at times experienced the pain of being ostracized by Christian society and even tortured by military governments While commonalities of religion and culture link these communities across time and national boundaries the Jewish experience in Latin America is irreducible to a single perspective Only a multitude of voices can express it This anthology gathers fifteen essays by historians creative writers artists literary scholars anthropologists and social scientists who collectively tell the story of Jewish life in Latin America Some of the pieces are personal tales of exile and survival some explore Jewish humor and its role in amalgamating histories of past and present and others look at serious episodes of political persecution and military dictatorship As a whole these challenging essays ask what Jewish identity is in Latin America and how it changes throughout history They leave us to ponder the tantalizing question Does being Jewish in the Americas speak to a transitory history or a more permanent one [Official Gazette of the United States Patent and Trademark Office](#), 1986
