Sweetgrass And Smoke:

The Circle of Life James David Audlin,2012-02-22 THE CIRCLE OF LIFE presents traditional oral Native American sacred teachings from the Iroquois Lakota and other traditions The author has been receiving these teachings from elders since his youth The wisdom embraces cosmology ethics epistemology metaphysics sociology psychology healing dream interpretation and more Audlin calls himself neither a spiritual teacher nor an authority but a conduit through which these oral traditions can be presented meaningfully to people in a modern world He outlines universal principles common to many traditional peoples worldwide The Red Road is available to all regardless of religion or ethnicity willing to follow its paths These paths however are often not easy and require deep personal and spiritual commitment Audlin says in his introduction If this book serves any purpose let it be to help us bring the Sacred Hoop of All the Nations back together again so we and all that lives may stand as one in silent awe before that Great Mystery **Dare to Be a Green Witch** Ehris Urban,Velya

Jancz-Urban,2021-07-08 Dozens of Stories Remedies Recipes from the Grounded Goodwife Discover the joys of embracing an earth friendly natural lifestyle with this extraordinary guide Daughter and mother coauthors Ehris Urban and Velya Jancz Urban provide everything you need to get started including a wide variety of recipes and remedies historical uses of natural ingredients and entertaining anecdotes from their time living holistically in a 1770 Connecticut farmhouse As the Grounded Goodwife duo Ehris and Velya guide your journey into the green witch world introducing you to herbal infusions fermentation techniques and pantry essentials Learn the many uses of fire cider tonics essential oils and collagen Explore natural body and facial care healthy ways to indulge in alcohol and chocolate and recipes for relaxation From creating an herbal sleep pillow to energy cleansing Dare to Be a Green Witch shows you how to use nature s gifts for greater wellness Watch the book trailer here **Spirit of Summerwood** Vivien Gorham,2022-05-10 It s finally summer and for twelve year old Aislinn that means two sweet uninterrupted weeks at her favourite place in the world Summerwood Farm At Summerwood s all girl horse camp Aislinn is surrounded by all the things she loves most her Arabian Firefly her best friend Jill and her mentor Grace But this year things are different from day one There s a boy at camp Grace seems tense and rumours swirl about the stable s land being sold Not to mention Aislinn keeps seeing things no one else can a fox an owl and even a ghostly boy who seems to need her help and her visions are starting to affect her riding and her friendships So one starry night Aislinn sneaks out to meet the ghost boy and hear his story She also learns about the Indigenous history of the land around Summerwood and what life was like for residents of a former Poor Farm that was in the same area But as Aislinn soon finds out all actions have consequences and she faces serious punishment for breaking Summerwood s rules With stumbles and false starts we follow Aislinn as she strives to become an environmental activist an Indigenous ally and a better friend We see her make mistakes learn grow and change A true coming of age story with elements of magical realism and authentic equestrian themes Spirit of Summerwood is destined to become a summertime favourite **Borderland** Bruce Fisher,2012-02-14 Poor Buffalo so

rusty and abandoned so sadly persistent in its despair so abused by comedians yet so close to serene and orderly Canada and so blessed with an attractively resilient and rebellious spirit that its expatriates cannot wait to return In essays that are historical and lyrical objective yet powerfully emotional Bruce Fisher offers a unique look at the distinct history and culture of Buffalo and the Canadian border region The place is a bundle of contradictions Here old growth forests lie just down the road from landscapes despoiled by a century of heavy industry Here in a region that has been peaceful for almost two hundred years monuments of ancient design define both sides of the Niagara River as a zone of conflicts one side refuses to forget Here in waters that used to ferry immigrants and the wealth of the North American interior American children train to row against Canadian children in an event named for the monarchy Here in a city that struggles to make sense of an economy that no longer needs its labor and where politicians are despised yet always returned to office the very notion of sustainability is tested by an endless sequence of schemes for redemption And here in this unique border region notions of justice rooted in family histories of Civil War veterans persist curiously through the politics that helped wreck Buffalo and frighten Toronto into a more attentive rectitude In the texts of letters found in a village library in the geology of a streambed that the seasons disrupt in the bright snow that smoothes and gentles the landscape but terrifies mayors Fisher finds the universal in the distinctive crossing borders not just of geography but of history culture and politics

Montana Native Plants and Early Peoples Jeff Hart, 1996 This survey of Indian lore and use of 60 Montana plants relies heavily on Salish and Kootenai information Includes the native plants such as the Bitterroot Kinnikinnick and Camas

Literature and the Senses Annette Kern-Stähler, Elizabeth Robertson, 2023-07-06 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read at Oxford Academic and offered as a free PDF download from OUP and selected open access locations *Literature and the Senses* critically probes the role of literature in capturing and scrutinizing sensory perception Organized around the five traditional senses followed by a section on multisensoriality the collection facilitates a dialogue between scholars working on literature written from the Middle Ages to the present day The contributors engage with a variety of theorists from Maurice Merleau-Ponty to Michel Serres to Jean-Luc Nancy to foreground the distinctive means by which literary texts engage with open up or make uncertain dominant views of the nature of perception Considering the ways in which literary texts intersect with and diverge from scientific epistemological and philosophical perspectives these essays explore a wide variety of literary moments of sensation including the interspecies exchange of a look between a swan and a young Indigenous Australian girl the sound of bees as captured in an early modern poem the noxious smell of the Great Stink that recurs in the Victorian novel the taste of an eggplant registered in a poetic performance tactile gestures in medieval romance and the representation of a world in which the interdependence of human beings with the purple hibiscus plant is experienced through all five senses The collection builds upon and breaks new ground in the field of sensory studies focusing on what makes literature especially suitable to engaging with contributing to

and challenging our perennial understandings of the senses Ritual and Symbol in Peacebuilding Lisa Schirch,2005 Serves as a guide to using ritual acts in peacebuilding efforts Abundant with examples of symbolic acts that aided the peace process Conflict is dramatic In theater literature story telling and news reporting it is a powerful mechanism that draws attention heightens the senses and evokes emotion Schirch argues that peacebuilding has the potential to do just the same Examples of peacebuilding often center on the serious rational negotiations and formal problem solving efforts in conflict situations Schirch argues though that what truly bonds adversaries and helps achieve peace are the symbolic non verbal ritual acts shaking hands sharing a meal showing a photograph of a loved one Yet these are often overlooked as deliberate components of peace negotiations Ritual and Symbol in Peacebuilding underscores the importance of incorporating symbolic tools including ritual into traditional approaches to conflict Ritual assists in solving complex deep rooted conflicts and helps to confirm and transform worldviews identities and relationships With theories and language to explain the symbolic dimensions of conflict this text will be useful to scholars and practitioners active in the diverse field of peacebuilding
