*Every Summer After* Carley Fortune, 2025-08-05 Carley Fortune's radiant New York Times bestselling novel now in this gorgeous hardcover collector's edition featuring a breathtaking revamped cover, beautiful endpapers and sprayed edges that will transport you to Barry's Bay. A stunning foil stamped case and a new introduction from the author and an exclusive bonus chapter: Six Summers to Fall in Love. One moment to fall apart. A weekend to get it right. They say you can never go home again, and for Persephone Fraser ever since she made the biggest mistake of her life a decade ago that has felt too true. Instead of glittering summers on the lakeshore of her childhood, she spends them in a stylish apartment in the city, going out with friends and keeping everyone a safe distance from her heart. Until she receives the call that sends her racing back to Barry's Bay and into the orbit of Sam Florek, the man she never thought she'd have to live without. For six summers, through hazy afternoons on the water and warm summer nights working in his family's restaurant and curling up together with books, medical textbooks for him and work in progress horror short stories for her, Percy and Sam had been inseparable. Eventually that friendship turned into something breathtakingly more, before it fell spectacularly apart. When Percy returns to the lake for Sam's mother's funeral, their connection is as undeniable as it had always been. But until Percy can confront the decisions she made and the years she's spent punishing herself for them, they'll never know whether their love might be bigger than the biggest mistakes of their past. Told over the course of six years and one weekend, *Every Summer After* is a big, sweeping nostalgic story of love and the people and choices that mark us forever.

For as long as Alice Green can remember, her elusive mother, Charlotte, has moved in and out of family life, disappearing relentlessly and often without explanation. Despite the exotic clutter of souvenirs that detail Charlotte's international travels, the Green's home becomes progressively hollow, as nothing but Charlotte can fill the empty spaces. With their mother's tenuous presence and their tender but distant father working long hours, Alice and her brother August react in different ways. While seeking constant affection from other women, August relies on an unspoken bond with Charlotte that allows him a certain freedom. But Alice feels no such security and grows increasingly unmoored, always in search of ways to keep her mother at home. When years later her unfettered brother

becomes strangely remote Alice journeys to find him in an isolated beach town It is there that a deeply buried secret will have to unravel in order for Alice to come to terms with her fractured family and her place within it and learn to let go of a mother she perhaps never really knew **BOOK JACKET Official Handbook** Public Schools Athletic League (New York, N.Y.),1912 Indianapolis Monthly ,2002-01 Indianapolis Monthly is the Circle City s essential chronicle and guide an indispensable authority on what s new and what s news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy s cultural landscape
