are both God's holy angels and Satan's demonic angels and how they have influenced history, cultures, countries, and personal lives. Chris Eddie sets the record straight about Angels and this is a thoroughly enjoyable read. I wish it were longer and I've already decided to read it again despite only having finished it yesterday. There is so much I need to digest with my second reading. This is vital information for all people because angels and demons influence everyone on this planet. Ground-breaking. I hope you write more books. J Scoulou. Plenty of people have the wrong views on what are angels and what are their purpose in our lives. Many get their views from wrong information on the Internet and from Hollywood movies. Eddie sets us on the correct road of what angels are as revealed by God and taught by the Catholic Church and what their role is. It is also important to realize that there are also fallen angels from the kingdom of darkness that need to be distinguished from God's holy angels. Eddie basically tells us about his experience with an Avenging Angel who is the Sword of Gilead that was sent to him by God. This is fascinating reading and I read the whole book in one sitting and will continue to read it again and again. I highly recommend this book to anyone who wants to know the truth about angels. This is another great book that explains the truth by Eddie Russell. *Sword of the Angels* Matt Eastwood, 2017-08-30. The Revelation Trilogy is a fictional novel about the struggle of balance between good and evil with friendship, adventure, betrayal, war, and unlikely alliances. **Jewish Child Bulletin**, 1927. **The Christian Advocate**, 1919. **'The Mosquito'**, 1905. **God's Angels Need No Wings** Claus Westermann, 1979. **SAVIOR** Jimmy Santoso, 2025-11-19. It is about job scramble between angels in heaven to be SAVIOR angel to bring about World Peace for mankind on earth. Many angels assume that the WINNER of the sailing ship race in heaven would be chosen by God as the Savior angel for human race on earth because the race is held on the same day when God would appoint the Savior angel. But unfortunately God instead appoints the angel who LOST in the sailing ship race to be Savior angel for human race on earth. It makes the angel who becomes the winner at the sailing ship race and his allies become hurt, envy, and has grudge against the Savior angel. Just imagine. He try hard to win the sailing ship race in heaven and finally he becomes the winner at the race and most of angels in heaven hailed and chanted his name as Savior angel but God did not appoint him as Savior angel for human race on earth. When the Savior angel is sent by God to come down to earth, his rival evil angels try to thwart his mission to bring everlasting world peace on earth by provoking, inciting, and pitting the World Leaders between North Korea, Russia, United States, Britain, and China to go war against each other and trigger World War 3 on earth. Can the Savior angel prevent World War 3 from happening on earth? Can Savior angel prevent nuclear wars from happening on earth? What is interesting in this story is that this story does not only shows physical muscle fight between the Savior angel and his rival evil angels but also delivers great and vicious tricks and intrigue between them. In the end, these some rival evil angels decide to come down to earth in order to kill the Savior angel and invade the world. Some of them have transformed themselves into a giant red five-headed dragon and Godzilla. In addition to destroy the earth, the giant red five-headed dragon also attacks the heaven and has great epic battle against millions of angels in heaven. Can the Savior

angel save the earth from the invasion of evil angels and the deadly attack of the giant red five headed dragon and Godzilla Can Savior angel save humanity from extinction This is the greatest superhero fantasy story of all time This story is the most unprecedented superhero fantasy s characters and storyline This is the most spectacular dragon and Godzilla action story combined The scenery view of setting place the great epic battle and the touching story of this story would deliver the whole new great fantasy world which people around the world never ever seen and imagined before
