Mullins,2018-02-12 Before the time of books computers tablets and recording devices the history of many cultures was passed down from person to person by word of mouth The rich histories of so many people were told in songs chants poems and stories This was and still is the way of Native American tribes Each in its own way enriching their stories with their own experiences By exploring these stories you will be offered you a glimpse into an often forgotten past By reliving these stories and songs we have the opportunity to bring life back to the ancient spirits that created them We have a chance to walk with the spirits of the past These stories were passed from one generation to the next And now these stories are given to you to carry forward for younger generations to explore and learn The mythology of North America is a cultural treasure house but many of these myths and legends are hidden away in various old and rare books It would be difficult for the average person to track down and collect this material because the rarity of some of these books makes them hard to acquire So this vast body of wisdom lies out of reach of most people until now Included in this anthology are over 100 stories in the categories of Star People Animal Tales People Tales War Tales Origin Tales and Ghost Tales Among the stories collected are Origin of the Sweat Lodge The Story of Po a The Story of the Land of Northern Lights Tale of the Lazy Boys Who Became the Pleiades The Moon and the Thunders The Two War Gods and the Two Maidens The First War A Widow s Revenge A War Between the Alabama And the Choctaw The Death of Head Chief and Young Mule Two War Trails Escape of The Seneca Boys The End of The First World Mistakes of Old Man Iktomi s Blanket Iktomi and the Muskrat Beaver Medicine The Badger and the Bear The Tree Bound The Simpleton s Wisdom Crossing the Red Sea Wakiash and the First Totem Pole The Dogs of the Chief s Son The Orphan Boy Captured by the Bad Thunderbirds Godasiyo the Woman Chief Lodge Boy and Thrown Away s Father Blue Corn Maiden and the Coming of Winter The Beginning of Newness The Origin of the Society of Rattlesnakes Origin of the Raven and the Macaw How Glooskap Found the Summer Raven s Great Adventure How Raven Lost His Beak Apache Creation Story How the Old Man Made People Origin of the Medicine Man When the Animals and Birds Were Created Creation of the First Indians A Little Brave and the Medicine Woman The Man Who Was Afraid of Nothing The Ghosts Buffalo The Land of the Dead The Skin Shifting Old Woman and many more **The Best Native American Myths, Legends, and Folklore Vol. 3** G.W.

Supernatural Tales Of The Native American Indians G.W. Mullins,2018-02-06 Native American Mythology began long before the European settlers arrived on North American soil Contrary to popular beliefs there is more to Native American Folklore than stories of buffalo hunts teepee living and animal stories Hundreds of tribes throughout North American created a huge mythological system that has rivaled that of the Greeks Since the beginning of time every civilization has presented its own collection of strange tales and folklore The Native American Indians are no different Many of their stories included giants hideous creatures ghosts beings from the spirit world witches and many others These creatures have haunted various corners of North America for thousands of years The stories have been handed down from generation to generation Some stories are amusing while others are meant to be a terrifying lesson in life and contain eerie details and gruesome facts that will make your skin crawl The stories collected in this book represent some of the best to be found Many are about ghosts and their interaction with the living some evil in nature while others appear quite normal They teach a lesson that the dead don t automatically become ghosts Many of the stories give a brief hint to an afterlife While some ghosts go about their everyday lives in spirit form and others attempt to come back from the other side Some come back for revenge on the living
