**Becoming Buddhist** Glenys Eddy,2012-02-02 What does it mean to be a Western Buddhist For the predominantly Anglo Australian affiliates of two Western Buddhist centres in Australia the author proposes an answer to this question and finds support for it from interviews and her own participant observation experience Practitioners prior experiences of experimentation with spiritual groups and practices and their experiences of participation practice and self transformation are examined with respect to their roles in practitioners appropriation of the Buddhist worldview and their subsequent commitment to the path to enlightenment Religious commitment is experienced as a decision point itself the effect of the individual s experimental immersion in the Centre s activities During this time the claims of the Buddhist worldview are tested against personal experience and convictions Using rich ethnographic data and Lofland and Skonovd s experimental conversion motif as a model for theorizing the stages of involvement leading to commitment the author demonstrates that this study has a wider application to our understanding of the role of alternative religions in western contexts *Tantra als Lebensanschauung (The Tantric view of life, dt.- Übertr. v. Ursula v. Mangoldt. 1.Aufl.)* Herbert V. Guenther,1974 **Yoga, Karma, and Rebirth** Stephen Phillips,2009-06-26 For serious yoga practitioners curious to know the ancient origins of the art Stephen Phillips a professional philosopher and sanskritist with a long standing personal practice lays out the philosophies of action knowledge and devotion as well as the processes of meditation reasoning and self analysis that formed the basis of yoga in ancient and classical India and continue to shape it today In discussing yoga s fundamental commitments

### **Tāranātha's Life of**

**Kṛṣṇācārya/Kāṇha** Tāranātha (Jo-nang-pa),1989 This biography of one of the most charismatic Indian siddhas or tantric adepts prominent in the tantric lineage that were conveyed to Tibet particularly those concerning Cakrasamvara and Vajra Varahi was compiled by the renowned Tibetan historian Jonang Taranatha from both written and oral sources He describes Krsnacarya s training with his own guru Jalandharipa his exploits in various parts of India and his eventual untimely death

*Principles of Buddhist Tantra* Mathew Varghese,2008 Description This work is a textual based discourse on the Cittavisuddhi prakarana of Aryadeva a seminal text which describes the principle and philosophy of Buddhist Tantra The dispute on the question of Tantric meditative practices having any philosophical foundation or whether those practices have been introduced into the ethico religious praxis of various religious traditions as a later introduction is a continuing discussion In this work it is trying to prove that the introduction of Tantra into Madhyamika philosophy is a natural development and it is proved beyond doubt by reviewing an important work in the Buddhist tradition written by Aryadeva the Cittavisuddhi prakarana The unique dialectical method introduced and used by the Madhyamikas to interpret their philosophy and the conception of sunyata is the guiding principle in this regard Madhyamika envisages that the conception of sunyata can be interpreted as the proper understanding of the insubstantial nature of object of the world dharma nairatmya and the insubstantial nature of the subjective self which perceives such objects of the world pudgala nairatmya The dialectics advanced by the Madhyamika is efficient in deconstructing the substantiality of the phenomenal world of objects but that is effectively possible only after reconstructing the notion of a substantive self using Tantric spiritual practices The sunyata as the conception of dharma nairatmya is achieved through reconstructing the substantive notion of the phenomenal world using dialectics while it as the conception of pudgala nairatmya is achieved using Tantric spiritual practices

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
