Flores, 2025-04-20 Welcome intrepid reader to the wild and wonderfully weird world of Tara Kirk Chance and Colt Prepare yourself for a journey unlike any other This isn't your typical coming of age story though it does involve a lot of coming of age awkward moments and questionable decisions Think *Thelma Louise* meets *Dumb and Dumber* with a healthy sprinkle of existential angst and a side order of chicken nuggets This story explores themes of friendship self

discovery and the challenges of navigating life with disabilities in a way that's both honest and hilariously relatable We'll be diving headfirst into the complexities of college life the hilarious chaos of a road trip and the surprisingly profound experience of trying weed for the first time for at least one of our characters We'll encounter parental disapproval questionable life choices broken down cars and a whole lot of unexpected detours both literal and metaphorical Each character brings their own unique brand of quirky brilliance and chaos to the table Tara our fearless leader navigates life with cerebral palsy with an unwavering sense of humor and a determination to conquer the world or at least the world's largest dispensary Kirk our poetic genius offers lyrical moments of levity while grappling with his learning disability Chance well Chance is Chance He's a walking talking chicken nugget obsessed comedic masterpiece And Colt He's the quiet religious one who's about to have his world turned upside down or maybe just slightly sideways So grab your snacks preferably chicken nuggets settle in and get ready for a wild ride It's going to be a bumpy one But trust me it's going to be worth it You might even learn a thing or two about yourself along the way And maybe about the surprisingly versatile uses of duct tape
