## **The Japanese Party System:**

The Japanese Party System Ronald J Hrebenar,2019-07-09 This is a nuts and bolts textbook in the best sense of the term It is bound to be a great boon both to teachers and students of contemporary Japanese politics from the Foreword by Haruhiro Fukui This timely volume is the first book in nearly twenty five years to focus on the party system of Japan In the past two decades the Japanese political scene has undergone a dramatic transformation What had been a two party system proliferated during the 1960s and 1970s into a seven party system This book provides a comprehensive look at all of Japan s current major and minor national level parties For the first time in English detailed analyses are presented on the Democratic Socialists the Clean Government party K meit and the New Liberal Club Thorough coverage is provided for parties in the 1955 System the ruling Liberal Democratic party and the two long term opposition parties the Socialists and the Communists Many of the new miniparties that have appeared in recent elections are also discussed Japanese Political Parties gives readers a solid understanding of party histories leadership and internal organization as well as a look at prospects for the future The party discussions are preceded by three chapters on the laws and political forces affecting Japanese politics Chapter 1 describes the basic characteristics of the Japanese party system since 1945 and provides an overview of Japanese voting behavior and political values Chapter 2 describes the rules of the game the electoral laws and discusses the ongoing political problem of malapportionment Chapter 3 interprets data on political finance in contemporary Japan Along with a wealth of information and interpretation the authors offer insight into the common patterns Japan shares with democracies around the world placing the Japanese system within the larger context of world party systems Designed for courses on Japanese politics this text should also prove useful to students of comparative politics and political parties

Japan's New Party System Ronald J Hrebenar,2000 In the summer of 1993 Japanese politics changed fundamentally from the pattern which had been the norm since 1955 No longer does the Liberal Democratic Party LDP rule national level politics without the need to resort to coalitions and lesser parties Even more significant are the two non LDP governments formed under Prime Ministers Hosokawa and Hata No longer is the opposition dominated by the never to govern Socialist Party By December 1994a new opposition party emerged from nine former opposition parties to move Japan towards a two party system
