The Big Scam Religion:

The Big Scam-- Religion Al Long,1994-01-01 **The Biggest Scam in Human History** Joyce Seagraves,2021-03-01

My intention for writing this book is that it will enhance people s lives so they spend more time doing good instead of praying and wishing something will come to be To question all the stories we have been taught through are church leaders and our government s Think of all the time mankind has spent in churches temples mosque s and what they could have accomplished if they had put their energy into something that has been proven scientifically for the good of mankind The money people have spent in the church to hear a bunch of nonsense This time and money could have been spent on knowledge of science and helping out other people without the church To learn the real truth about mankind instead of worshipping people like Jesus Mohammad or a God that is make up with fictitious facts How many people have been killed for the sake of religion and how many wars have we fought over religious dogma Our civilization would be so advanced and maybe even civilized if we embraced science instead of religion We might have even wiped out famine war diseases by now and be living on another planet Our ancestors were ignorant of the world by no fault of their own after all we haven t evolved that long compared to the universe and we couldn t evolve until the conditions were right A world where we were one people instead of people divided my countries and religions that don t get along where women children and the oppressed are treated with respect and dignity I like to acknowledge all the scientists philosophers and all those who sought knowledge instead of fables I could never have written this book without the knowledge that has come before me and the research and dedication to finding out the real truth is beyond measurement The church wants you to give them your money so they can buy their gold chalices crosses feed them clothe them and build the most expensive churches Wouldn t it be easier to cut out the middleman and go directly to the people Volunteers community services and prisoners can do the same work as the church and it would save a lot of money and time

When Texas Prison Scams Religion Michael G. Maness,2023-05-22

When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein

Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

History of Religion Trung Nguyen,2016-12-22 The truth about god shall set your life free History of Religion the second book in the series Is There a God discusses the history of Judaism Christianity and Islam Chapters include Chapter 1 The Abrahamic Religions Chapter 2 History of Judaism Chapter 3 History of Christianity Chapter 4 History of Islam Chapter 5 Reasons People Are Religious Chapter 6 Religion Business Politics and War Chapter 7 Terminologies and Notations THE CONSPIRACY AGAINST AFRICA Charles Akujeze,2023-09-23 The Conspiracy Against Africa unveils a resonating truth that echoes across borders With insightful precision the book navigates the intricate reasons behind Africa s ongoing economic challenges and subjugation Tracing the pages of history the narrative illuminates the complex interplay between the West and Africa Here Africa s path to prosperity is shackled by the West s unquenchable appetite for its resources This chokehold on Africa s raw materials keeps the global equilibrium but at what expense Unraveling layers of inefficiency ethical cracks and integrity gaps the book dissects Africa s relationship with the Western world It exposes vested interests that hold back progress with unyielding tenacity Yet within this stark analysis a call to arms resounds a rallying cry brimming with urgency and optimism inviting every African to reclaim their essence and dreams This stands as a pivotal turning point urging Africans to cast aside shadows that bind them seizing the reins of fate and forging a destiny that defies exploitation The Conspiracy Against Africa is more than a book it s an awakening an assertion of empowerment amidst suppression It lays bare truths long obscured inviting you on this narrative journey to reclaim Africa s story and usher in an era of empowerment justice and self determination Association Men ,1917 *The Truth Seeker* ,1919 **Religion, Greatest Scam Ever** Melvin Leroy Abercrombie,2021-04-28 Its a shame society has created so many religious scams the things we do for money How many millions and billions of people have died due to a holy war fighting over who is right about their version of Religions The Holy Bible shows the virgin Mary and Joseph heading to Bethlaham to pay their share of Taxes We now think we have the right to declare any so called name of a religion as a tax exempt status including schools colleges and hospitals Its a shame and a scam **Benjamin Franklin Unmasked** Jerry Weinberger,2005 Taking the Autobiography as the key to Franklin s thought Weinberger argues that previous assessments have not yet probed to the bottom of Ben s famous irony and elusiveness While others take the self portrait as an elder statesman s relaxed and playful retrospection Weinberger unveils it as the window to Franklin s deepest reflections on God virtue justice equality natural rights love the good life the modern technological project and the place and limits of reason in politics and human experience Along the way Weinberger

explores Franklin's ribald humor usually ignored or toned down by historians and critics and shows it to be charming and philosophic
