Santos,2016-04-30 Over the last century Western portrayals of shamanism have changed radically toward an ethnopoetics of shamanism While shamanic practices had long been indirectly registered by Westerners it is only since the late nineteenth century that they have taken on symbolic import within discourses of primitivism and debates over magic and rationality *Interpreting the Legacy* Brian Holloway,2003-02-26 Neihardt s work has recently been critiqued by scholars who maintain that the author filtered and corrupted Black Elk s teachings through a European spiritual and political lens In this book Brian Holloway offers a rather different view making a convincing case that Neihardt quite consciously attempted to use his literary craftsmanship to provide the reader with direct and immediate access to the teachings of the Oglala elder

Using Neihardt's original hand-written notes and early manuscript drafts Holloway demonstrates the poet's careful and deliberate re-creation of Black Elk's spiritual world in order to induce a transcendent experience in the reader. Through exhaustive research into Neihardt's biographical materials, published philosophical and metaphysical writings, and volumes of taped lectures, Holloway examines the sources of the book's production as well as the reactions to and the implications of his literary portrayal of the spiritual world of the Oglala.

Parabola, 1984. [The story of Black Elk as fiction and biography. „Black Elk speaks“ by John G. Neihardt versus „The heartsong of Charging Elk“ by James Welch](#) Martin Setzkorn, 2008-09-18. Seminar paper from the year 2006 in the subject American Studies Literature grade keine. University of Rostock course Imaginary Homelands. Indians language English abstract. In this paper, I am going to compare the biography *Black Elk Speaks* written by John G. Neihardt with the novel *The Heartsong of Charging Elk* written by James Welch. Both books show a different perspective on the same topic. *Black Elk Speaks* shows the true history, whereas the novel from James Welch is fiction. But by reading both books, I got the impression that even *The Heartsong of Charging Elk* could have really happened. By reading the books, a lot of connections or links get obvious. The paper tries to discuss some of the connections. In the first part of the paper, the stories will be summarized, and the main characters Black Elk and Charging Elk will be described. In the center part of the paper, some of the connections and links will be compared more detailed. Here, I will try to point out especially the connections they have during their travel to Europe. In the last part, I am going to discuss the interesting changes of the narrative perspective and the resulting impression for the reader.
