## **The Challenge Of Comparative Literature:**

The Challenge of Comparative Literature Claudio Guillén,1993 In this work Claudio Guillen meditates on the elusive field of comparative literature and its vicissitudes since the early 19th century **Polichinelle** ,18?? The Challenge of Comparative Literature, and Other Addresses Werner Paul Friederich,1970 The challenge of comparative literature and other addresses, ed Werner Paul Friederich, **The Challenge of Comparative Literature** Reingard Nethersole,1984

**The Challenge of Comparative Literature, and Other Addresses** Werner Paul Friederich,1970 **The Canonical Debate Today** Liviu Papadima,David Damrosch David Damrosch,Theo D'haen Theo D'haen,2011-03-10 The Canonical Debate Today Crossing Disciplinary and Cultural Boundaries re enacts the canonical issues current in the 90s from a new perspective triggered by the changes that occurred worldwide in understanding the concepts and the status of theory in the legacy of literary studies within the field of humanities and in cultural production and reception During the last decade discussions of globalization mostly took into account its impact on the status of academic disciplines such as comparative literature or cultural studies or the reconfiguration of national literary fields These debates do not dispense with canonicity altogether but make it more urgent and necessary Canons seen as sets of norms or regulatory practices are central to the formation of disciplines to the recognition and transmission of values even to the articulation of discourses on identity on various levels The three sections of the volume deal with three interrelated subjects theories and applicable contexts of the canon Canons and Contexts recent transformations in the area of literary studies in response to the task of canon formation Reshaping Literary Studies and the challenges brought to the understanding of the canon s by the current process of re defining literary and cultural boundaries Transgressing Literary and Cultural Boundaries This volume will appeal to researchers teachers and students of cultural studies comparative literature and literary theory **The Making of the Humanities** Rens Bod,Jaap Maat,Thijs Weststeijn,2025-10-01 This book is the first step towards the development of a comparative history of the humanities Specialists in philology musicology art history linguistics literary theory and other disciplines highlight the intertwining of the various fields and their impact on the sciences This first volume in the series The Making of the Humanities focuses on the early modern period Different perspectives reveal how the humanities developed from the liberal arts via the curriculum of humanistic schools to modern disciplines The authors show in particular how discoveries in the humanities contributed to a secular world view pointing up connections with the scientific revolution The main themes are the humanities versus the sciences the visual arts as liberal arts humanism and heresy language and poetics linguists and logicians philology and philosophy the history of history Contributions come from a selection of internationally renowned European and American scholars including Floris Cohen David Cram and Ingrid Rowland The book offers a wealth of insights for specialists students and those interested in the humanities in a broad sense **Politics and Eternity: Studies in the History of Medieval and Early-Modern Political Thought** Francis Oakley,2022-06-08 This collection of

studies in the history of political thought from late antiquity to the early eighteenth century ranges broadly across themes of kingship political theology constitutional ideas natural law thinking and consent theory The studies are linked together by three shared characteristics First all of them explore the continuities that existed during those centuries between legal political thinking and theology Second nearly all of them transgress the sharp dividing line traditionally drawn between the medieval and the modern which did so much in the past to distort our understanding of intellectual developments in the sixteenth and seventeenth centuries Third all of them raise historiographic questions or probe the metahistorical methodological questions which have troubled the field for the past quarter century and more

*The Routledge Concise History of World Literature* Theo D'haen, 2013-03 This remarkably broad and informative book offers an introduction to and overview of World Literature Tracing the term from its earliest roots and situating it within a number of relevant contexts from postcolonialism to postmodernism this book is the ideal guide to an increasingly popular and important term in literary studies It is accessible and engaging and will be invaluable to students of world literature comparative literature translation and postcolonial studies and anyone with an interest in these or related topics

*Studying Transcultural Literary History* Gunilla Lindberg-Wada, 2012-03-12 In our globalised world literature is less and less confined to national spaces Europe centred frameworks for literary studies have become insufficient academics are increasingly called upon to address matters of cultural difference In this unique volume leading scholars discuss the critical and methodical challenges that these developments pose to the writing of literary history What is the object of literary history What is the meaning of the term world literature How do we compare different cultural systems of genres How do we account theoretically for literary transculturation What are the implications of postcolonial studies for the discipline of comparative literature Ranging in focus from the Persian epic of Majnun Layla and Zulu praise poetry to South Korean novels and Brazilian antropofagismo the essays offer a concise overview of these and related questions Their aim is not to reach a consensus on these matters They show instead what is at stake in the emergent field of global comparatism

**World Literature as Discovery** Zhang Longxi, 2023-09-15 The rise of world literature is the most noticeable phenomenon in literary studies in the twenty first century However truly well known and globally circulating works are all canonical works of European or Western literature while non European and even minor European literatures remain largely unknown beyond their culture of origin World Literature as Discovery Expanding the World Literary Canon argues that world literature for our time must go beyond Eurocentrism and expand the canon to include great works from non European and minor European literatures As much of the world s literature remains untranslated and unknown the expansion will be an exciting process of discovery By discussing fundamental questions around canon circulation aesthetic values translation cosmopolitanism and the literary universal Zhang Longxi proposes a new and liberating concept of world literature that will shape world literature worthy of its name This book speaks for a more inclusive idea of world literature and shows students and scholars alike that

all the literary traditions particularly non European traditions will be able to make important contributions and expand the canon of world literature

**Comparing the Literatures** David Damrosch,2020-04-07 From a leading figure in comparative literature a major new survey of the field that points the way forward for a discipline undergoing rapid changes Literary studies are being transformed today by the expansive and disruptive forces of globalization More works than ever circulate worldwide in English and in translation and even national traditions are increasingly seen in transnational terms To encompass this expanding literary universe scholars and teachers need to increase their linguistic and cultural resources rethink their methods and training and reconceive the place of literature and criticism in the world In *Comparing the Literatures* David Damrosch integrates comparative postcolonial and world literary perspectives to offer a comprehensive overview of comparative studies and its prospects in a time of great upheaval and great opportunity *Comparing the Literatures* looks both at institutional forces and at key episodes in the life and work of comparatists who have struggled to define and redefine the terms of literary analysis over the past two centuries from Johann Gottfried Herder and Germaine de Staël to Edward Said Gayatri Spivak Franco Moretti and Emily Apter With literary examples ranging from Ovid and Kalidasa to James Joyce Yoko Tawada and the internet artists Young Hae Chang Heavy Industries Damrosch shows how the main strands of comparison philology literary theory colonial and postcolonial studies and the study of world literature have long been intertwined A deeper understanding of comparative literature's achievements persistent contradictions and even failures can help comparatists in literature and other fields develop creative responses to today's most important questions and debates Amid a multitude of challenges and new possibilities for comparative literature *Comparing the Literatures* provides an important road map for the discipline's revitalization

*Comparative Literature in Europe* Nikol Džuić,Frédérique Toudoire-Surlapierre,2019-01-03 Thanks to its historical theoretical and methodological dimensions this book is unique both in Europe and in the USA It brings together researchers from across Europe to explain how comparative literature works both on an institutional and a technical level in the country in which they teach The contributions also define the characteristics of European comparative literature on a continental level From Austria to Ukraine by way of Belgium Estonia Finland France Ireland Lithuania Luxembourg Macedonia Poland Portugal Romania Slovakia Spain and Switzerland this book offers an expansive panorama placing great emphasis on usually invisible countries Moreover it relates both to the postcolonial and post Soviet present and to the future of comparative literature it is a handbook but also a laboratory

**A History of World Literature** Theo D'haen,2024-05-29 *A History of World Literature* is a fully revised and expanded edition of *The Routledge Concise History of World Literature 2012* This remarkably broad and informative book offers an introduction to world literature Tracing the term from its earliest roots and situating it within a number of relevant contexts from postcolonialism decoloniality ecocriticism and book circulation Theo D'haen in ten tightly argued but richly detailed chapters examines the return of the term world literature and its changing meaning Goethe's concept of Weltliteratur and

how this relates to current debates theories and theorists who have had an impact on world literature and how world literature is taught around the world By examining how world literature is studied around the globe this book is the ideal guide to an increasingly popular and important term in literary studies It is accessible and engaging and will be invaluable to students of world literature comparative literature translation postcolonial and decoloniality studies and materialist approaches and to anyone with an interest in these or related topics

**Challenge and Continuity** Margaret Buckley, Brian Buckley, 2004 *Challenge and Continuity* is the first full length attempt to map an important feature of nineteenth and twentieth century literature the thematic novel It analyses it first in D H Lawrence revealing how in *The Rainbow* and *Women in Love* the psychology of the characters is brought into a wider social and ideological context that generates their controlling themes Having defined an alternative tradition exemplified by George Eliot and Tolstoy focused primarily on individual development it examines how that kind of interest was aligned in the nineteenth century with the thematic in a loose fashion by Charlotte Bront Turgenev Hardy and Wells and more precisely by Stendhal Flaubert and Emily Bront

*Challenge and Continuity* goes on to identify the core of the thematic tradition in the work of Dickens Hawthorne Melville Dostoevsky and Conrad It is then revealed as a distinguishing feature of modernism in Ford Forster Joyce and Woolf with continuations into Huxley Orwell and Beckett With its complex of well researched links over a very wide area this book should appeal to scholars and students alike and also to the general reader with some knowledge of the field
