

# 7-DAY ACTIVE LISTENING CHALLENGE

Commit to improving your active listening skills this week with this simple challenge aimed at intentionally ingraining these listening best practices into your daily interactions at work and at home.

## MONDAY: MEMORIZE THE LAST STATEMENT.

Set the goal to be able to repeat the last thing that was said by each person in your meetings. This helps you to focus on each statement without zoning out until it's your turn to chime in.

## TUESDAY: TALK LESS.

Try to encourage others to offer ideas and solutions before adding your own. Aim to do 80% of the listening and 20% of the talking in your interactions with others.

## WEDNESDAY: WAIT 3 SECONDS.

Get comfortable with silence in conversation by striving to wait a full second before responding. This will give you a chance to think of a thoughtful reply after the person you're speaking with has finished, enabling you to listen to what they are saying instead of thinking about how you'll respond.

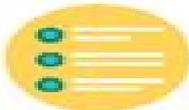

## THURSDAY: TAKE NOTES.

Aim to enhance your listening skills by setting the goal of taking notes in all the meetings you attend. No need to share these notes with the group, just grab a pen and notepad to jot down not only what people are saying, but also what facts, feelings, and values they're expressing.

## FRIDAY: FORMULATE QUESTIONS.

Resist the urge to offer suggestions or solutions and strive to respond to people with genuine, open-ended questions. This will not only require you to listen intently, it will also often result in your colleagues thinking about their contribution in a new way.

## SATURDAY: SUMMARIZE.

Make a habit of restating the key points you heard others contribute and ask whether your summary is accurate. Setting the goal of summarizing the main takeaways of a meeting or conversation will improve your active listening skills and help others confirm their thoughts were accurately received.

## SUNDAY: SILENCE TECHNOLOGY.

After a long week of meetings, you can improve your active listening skills by prioritizing in-person conversations without the distraction of your phone and computer. This will give you the chance to practice all the skills you've been mastering over the past week and recharge for the week ahead.
