represented *French Eggs in an English Basket. [A Collection of Tales]* Émile Souvestre, 1872 Encyclopedic Dictionary of Diasporic Indian English Writing Manju Jaidka, Tej N. Dhar, Natasha Vashisht, 2025-05-15 The Handbook of Diasporic Indian Writing in English is an essential reference to Indian literature. It features alphabetical entries of Indian writers who have bridged the gap between cultures and redefined language boundaries. As the field of diasporic writing continues to expand and intersect with various branches of English and Cultural studies, it anticipates a growing market. It offers a unique and compelling perspective on the global tapestry of literature. It draws on various interdisciplinary approaches including postcolonial theory, cultural studies, and digital humanities to offer fresh and innovative perspectives on the literature. It is an indispensable resource for research scholars of literary studies and related disciplines like cultural studies and postcolonial studies.

The Literature of the Indian Diaspora Vijay Mishra, 2007-09-12 The Literature of the Indian Diaspora constitutes a major study of the literature and other cultural texts of the Indian diaspora. It is also an important contribution to diaspora theory in general. Examining both the old Indian diaspora of early capitalism following the abolition of slavery and the new diaspora linked to movements of late capital, Mishra argues that a full understanding of the Indian diaspora can only be achieved if attention is paid to the particular locations of both the old and the new in nation states. Applying a theoretical framework based on trauma, mourning, impossible mourning, spectres, identity, travel, translation, and recognition, Mishra uses the term imaginary to refer to any ethnic enclave in a nation state that defines itself consciously or unconsciously as a group in displacement. He examines the works of key writers, many now based across the globe in Canada, Australia, America, and the UK: V. S. Naipaul, Salman Rushdie, M. G. Vassanji, Shani Mootoo, Bharati Mukherjee, David Dabydeen, Rohinton Mistry, and Hanif Kureishi, among them, to show how they exemplify both the diasporic imaginary and the respective traumas of the old and new Indian diasporas.

The Watchman-examiner, 1917 *Writers of the Indian Diaspora* Emmanuel S. Nelson, 1993-04-13 The fifty-eight writers included in this new sourcebook have roots in India or less frequently in Pakistan, Bangladesh, or Sri Lanka, but represent diverse geographical areas of the Indian Diaspora, from the South Pacific to South America, from the Indian Ocean islands of Mauritius and Singapore to the cities and suburbs of London, New York, Johannesburg, and Toronto. Their lives, works, themes, and critical receptions are examined individually but with attention to two central assumptions: that people of the Indian diaspora share a diasporic consciousness generated by a complex network of historical connections, spiritual affinities, and unifying racial memories, and that this shared sensibility is manifested in the cultural productions of the Indian diasporic communities around the world. These concepts developed by Professor Nelson in a previous study, *Reworlding The Literature of the Indian Diaspora*, are here applied to a larger canvas of writers, including major international figures such as V. S. Naipaul and Salman Rushdie, and talented emerging writers. The writers practice a variety of literary forms and represent an extraordinary diversity of ethnicities, languages, and religious traditions. The women among them contribute the perspective of gender along with the themes of ethnicity, migrancy, and post-coloniality shared with the male
