The Christian Couple:

The Christian Couple Larry Christenson, Nordis Christenson, 1977 This new book deals specifically with the relationships of husband and wife in the same simple yet profound style that made The Christian Family so helpful to so many We are writing this book because we have come to the conviction that we live in a time when men need to be challenged to succeed as men This means more than succeeding in their careers It means succeeding in that which is basic to all human life and society marriage and the home We are writing this book because we believe that women want to grow in relating effectively to their husbands That is where true happiness lies for us as wives God s wisdom and grace can bring a new quality of happiness to our marriages Publisher **Christian Marriage Companion** Dr. Sunny Uwadiae, 2012-08-20 Christian Marriage Companion is one of the most comprehensive and authoritative books on the biblical model of marriage and family It is a blueprint on what an ideal Christian marriage is and how to achieve it It exhaustively explains the ordinance and covenant of marriage its central and peripheral purposes role relationships of man and wife how to push beyond intimacy into marital unity hindrances to a happy marriage how to resolve conflicts and how to achieve a blissful Christian marriage It fully examines issues such as same sex marriage oral sex use of sex toys pornography masturbation divorce remarriage effective communication forgiveness adultery and active listening With over 300 Bible references and real life examples from marital counselling sessions the book covers virtually all the knowledge and skills for making a Christian marriage a true success It is a manual covering all that a person needs to know to bring full healing to their marriage making the book a veritable alternative to face to face counselling It reveals striking truths about Christian marriage that will be extremely hard to find elsewhere These include an in depth analysis of the marriage proclamation the idea that emotional and spiritual education is the central purpose of marriage the idea of spiritual divorce and the idea that Christian marriages aim at a deeper than intimate relationship Christian Marriage Companion is the kind of book you simply place on the shelf for your spouse to read in their own time They will find it absolutely compelling to read As they do so only the stone hearted will resist being reformed by it Newlywed couples and those looking to improve their marriage would find this book most useful Although it was written specifically for Christian couples of all denominations it has great potentials for positively impacting the marriages of non Christians who read it with open minds The Christian marriage ideals it teaches are unsurpassable and altruistic **The Christian Marriage** Chris S. out their marriages within the transcendent grace of God Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian Marriages benefit when they are released from cultural directives that are not biblical callings even if they choose to retain them as cultural practices This book is for Christians who are ready to rethink their assumptions about marriage

The Marriage God Wants for You Cardinal Donald Wuerl,2015-06-01

Most people would agree that marriage today is in crisis What is usually overlooked even by those married in the Church is that God intended marriage to be a sacrament The Lord wants couples to rely on his promise to be present in their day to day lives and he wants to give them the grace to live out a covenantal love that mirrors the love of the Trinity Rather than simply a defense of marriage this book presents the good news about sacramental marriage Cardinal Donald Wuerl uses his years of pastoral experience and his gift of teaching to give hope and courage to both engaged couples and those married for many years and to anyone thinking about the meaning or vocation of marriage Features short vignettes written by married couples living out their vocation in the good and hard times Useful for marriage preparation or for any Catholic confused about the debates on marriage going on today
