half human has unbelievable strength powerful weapons and heals quickly sustaining no scars or bruises He has big wings that he can disguise as clothing a ten foot tail that disappears into his spinal cord and Mia his second pair of eyes that follows him everywhere Mia is full of knowledge is very intuitive and has the ability to hack any computer system anywhere The Devil Angel starts to change from good to evil as he battles crime daily but at some point he feels sorry for mankind and wants to understand why people are the way they are and seeks to find out more about them His heart yearns more and more not just to fight crime but to help the humans who need help He develops love for mankind and sometimes forgives them for their sins He also searches for his father Damian by gathering information from crime scenes of demons The Devil Angel puts together his own team to assist him in his search for his father and his follower demons while the churches corporate businesses and governments around the world seek his help in getting rid of the bad people here on Earth He is basically a hit man for these organizations They offer him donations in return for his delivering death certificates to these individuals These donations go to the starving children of God s people and helping other people in need The Devil Angel gives all of his earnings back to God s people For a while he cleans up the world by fighting against evil While he is fighting against evil kind he sees that not only bad people on Earth but good people as well become sinners by falling prey to greed lust egotism competition and corruption He discovers that he has been contracting to kill people who are partly good as well as those who are pure evil At the same time he has been contracting to kill bad people he is becoming the Devil himself by killing good people too So he gets angry and starts to go insane because of his guilt and confusion and because he realizes he cannot trust anyone but himself Meanwhile Damian and his followers living on Earth are busy bringing ruin on mankind by turning people into rebels against one another and God himself
