The Diamonds Of Kronos:

The Diamonds of Kronos Andrew Dequasie,2000-09-21 Other books have been written about battles between humans and creatures from outer space So what s different about this one Well the aliens in this case know a great deal about planet Earth and its human population but their info is disastrously out of date It s a war in which tactics make all the difference and the aliens would have found peaceful cooperation a far more useful thing than the battle As a side issue these highly intelligent aliens have evolved on a planet where oxygen and water are rare Impossible Not at all The author s thesis on this point is that life can evolve anywhere there is an energy source the life form can use In each case the life form evolves so as to use the available energy source and therefore is very dependant on it just as we depend on oxygen and water [The Chu Chi Chronicles](#) Walker O'Brien,2001-09-25 Chu Chi is a handsome powerful and brave Siberian Husky But he didn t start out that way The Chu Chi Chronicles is a collection of stories about Chu Chi and his pals who live in the Canadian village of Reindeer Lake In the first three stories we join Chu Chi and his friends as they engage in a series of adventures as they explore their world Encounters with polar bears jewel thieves and a beautiful show dog who steals Chu Chi s heart are a few of the many special moments to be found in these stories From the beginning of the Great Race the reader is rooting for Chu Chi s team to win the prize It s a spot on the Royal Mounties Olympic Sled team When our hapless group attends their first dog show chaos erupts when they discover a jewel robbery and eventually solve the crime And as the intrepid team of dogs attempt a dangerous rescue on Christmas Eve in the midst of a blinding blizzard supernatural events guide the outcome and give us all a gentle reminder of what is truly important The Chu Chi Chronicles blend tales of adventure with messages of wisdom and hope They are the kinds of stories many of us read as children but The Chu Chi Chronicles include a decidedly modern touch These adventures can be read again and again and then passed on to the next generation They are ideal for younger readers but have a message for everyone W O 2001 **Deadly Intent, SCVC Taskforce Romantic Suspense Series, Book 4 (A SCVC Taskforce Romantic Suspense)** Misty Evans,2022-02-03 If you love romantic thrillers don t miss this action packed read the fourth novel in the SCVC Taskforce Romantic Suspense Series by USA TODAY bestselling author Misty Evans A military romance bestseller She ll do anything to find her sister Deep undercover with a Tijuana drug cartel FBI agent Sophia Diaz is two days away from making the biggest bust of her career and tracking down her sister who went missing ten years ago But when a rival cartel puts out a hit on her there s only one man who can keep her alive He ll do anything to keep her safe Immigration enforcement officer Nelson Cruz has his hands full with his own operation while undercover as a member of the Savages motorcycle gang When orders come down that he has to protect the sexy but oh so aloof Agent Diaz without breaking his cover Nelson must put his skills to the ultimate test Especially since a previous relationship with Sophie compromised his career and wreaked havoc on his heart South of the border is no place to die Nelson s never gotten over the time he spent in Sophie s bed or the fact she double crossed him on their last mission
