

"Dr. Hamilton has done his work well
and with a self-effacement as rare as
it is commendable. . . . He shows us
the man rather than the statesman. . . .
A successful piece of portraiture."

Allan McLane Hamilton, 2017-09-09 Excerpt from The Intimate Life of Alexander Hamilton Based Chiefly Upon Original Family Letters and Other Documents Many of Which Have Never Been Published The purpose of the writer is to utilize a large number of original letters and documents written by Alexander Hamilton and various members of his family as well as his contemporaries and which in some measure throw light upon his private life and career as a soldier lawyer and statesman Most of these have never been published and were left to me by my father the late Philip Hamilton who was his youngest son I have no more ambitious purpose than to produce a simple narrative for there are several important works that fully and formally describe his public services The latest of these is Oliver's excellent book which is a noble monument to the memory of Hamilton If I have gone into detail very minutely it is because of the belief that the familiar side of his life will be of interest to a great many people who have hitherto been furnished only with unauthentic generalities About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

edition Excerpt CHAPTER XIII THE DUEL There need be no speculation as to the cause of the duel What has been said in previous chapters shows the forces that were at work for a very long time but in a more pronounced way for at least two years before the event Even if he had not wished to do so Hamilton was unwillingly obliged in the practice of his profession to expose Burr s corrupt practices and the manner in which he swindled his clients he had no choice In political antagonism the worst offence was given for Hamilton s attacks had been unremitting and bitter and though undertaken because he believed the welfare of the nation demanded the defeat of Burr he could expect no other ending than that which followed While the correspondence directly connected with the sending of the challenge seemed forced and disingenuous upon Burr s part and the issue was directly precipitated by the latter he was undoubtedly goaded on by Hamilton s scathing denunciation and it is surprising that he did not force the duel upon some much earlier occasion as Hamilton was always free in his criticism and wrote many letters and inspired many bitter newspaper attacks What could be more provoking than the letter addressed to John Rutledge and found afterward among the papers of Francis Hopkinson 1 1 Century Magazine vol IX p 250 Alexander Hamilton to John Rutledge Confidential New York Jard 4 1801 My Dear S1r My extreme anxiety about the ensuing election of President by the House of Representatives will excuse to you the liberty I take in addressing you concerning it without being consulted by you Did you know Mr Burr as well as I do I should think it unnecessary With your honest attachment to the Country and correctness of views it would
