**The Game Maker's Apprentice** Jacob Habgood, Mark Overmars, 2006-12-31 The Game Makers Apprentice shows you how to create nine exciting games using the wildly popular Game Maker game creation tool This book covers a range of genres including action adventure and puzzle games complete with professional quality sound effects and visuals It discusses game design theory and features practical examples of how this can be applied to making games that are more fun to play Game Maker allows games to be created using a simple drag and drop interface so you don't need to have any prior coding experience It includes an optional programming language for adding advanced features to your games when you feel ready to do so You can obtain more information by visiting [book.gamemaker.nl](#) The authors include the creator of the Game Maker tool and a former professional game programmer so you'll glean understanding from their expertise The book also includes a DVD containing Game Maker software and all of the game projects that are created in the book plus a host of professional quality graphics and sound effects that you can use in your own games

**The Game Maker's Companion** Jacob Habgood, Nana Nielsen, Kevin Crossley, Martin Rijks, 2010-12-31 The Game Maker's Companion is the long awaited sequel to The Game Maker's Apprentice This book picks up where the last book left off advancing your game development journey with some seriously impressive gaming projects This time you'll learn how to make professional quality platform games with solid collision detection and slick control mechanisms and you'll get acquainted with a long lost icon of platform gaming history on the way You'll go on to discover techniques to add depth and believability to the characters and stories in your games including The Monomyth cut scene storyboarding and character archetypes This culminates in the creation of an original atmospheric platform adventure which will take your GML programming skills to new heights There's even a handy reference section at the back of the book which will be invaluable for adding common features to your own games With contributions from four games industry professionals and a highly respected member of the Game Maker community The Game Maker's Companion is another labor of love that will give you even more hours of enjoyment than the original If you already own Game Maker then you really must own this book as well

**The Map Maker's Choice** Matthew J. Kregel, 2016-03-15 Duluth Minnesota is finally at peace and things are getting better on both sides of the Divide However dark forces are lurking When Tasker the dwarf is kidnapped Jane Jacob and the others realize something horrible is about to happen Soon it becomes obvious that they need help and with Coronia a lonely mermaid they set off on a quest to find the machine that generates the Divide They go in search of the legendary Lady of Woods Lake a mysterious woman who holds great knowledge From the Lost Forty to the waters of Lake of the Woods and to the depths of the Soudan Mine their journey takes them across the lands of northern Minnesota Little do they know that when they reach their journey's end a terrible sacrifice will be demanded of them all
