The Jews And Israelites:

Japan, the Jews, and Israel Meron Medzini,2024-09-02 Although an ally of Nazi Germany during World War II Japan adamantly refused to accede to German demands to deal harshly with the some 40 000 Jews living under its control While there was anti Semitism in Japan since the early 1920s there was also philo Semitism and great admiration for Jewish power influence and achievements Japan Israel relations were very strained and tense from 1952 to the early 1990s due to Japan s dependence on Arab oil But since 1990 the policy of Japan has changed radically and the country is now a close friend of Israel in East Asia Meron Medzini compares and contrasts Israeli and Japanese society foreign policy and above all economic and technological ties He analyzes the presence of Jews in Japan since the 1860s and the absence of any Jewish influence power and involvement in Japanese arts media academia politics labor unions and industry *The Jewish Divide Over Israel* Edward Alexander,Paul Bogdanor,2011-12-31 Before 1967 Israel had the overwhelming support of world opinion So long as Israel s existence was in harmony with politically correct assumptions it was supported or at least accepted by the majority of progressive Jews especially in the wake of the Holocaust This is no longer the case *The Jewish Divide Over Israel* explains the role played by prominent Jews in turning Israel into an isolated pariah nation After their catastrophic defeat in 1967 Arabs overcame inferiority on the battlefield with superiority in the war of ideas Their propaganda stopped trumpeting their desire to eradicate Israel Instead in a calculated appeal to liberals and radicals they redefined their war of aggression against the Jews as a struggle for the liberation of Palestinian Arabs The tenacity of Arabs rejection of Israel and their relentless campaign in schools universities churches professional organizations and above all the news media to destroy Israel s moral image had the desired impact Many Jewish liberals became desperate to escape from the shadow of Israel s alleged misdeeds and found a way to do so by joining other members of the left in blaming Israeli sins for Arab violence Today Jewish liberals rationalize violence against the innocent as resistance to the oppressor excuse Arab extremism as the frustration of a wronged party and redefine eliminationist rhetoric and physical assaults on Jews as criticism of Israeli policy Israel s Jewish accusers have played a crucial and disproportionate role in the current upsurge of antisemitism precisely because they speak as Jews The essays in this book seek to understand and throw back the assault on Israel led by such Jewish liberals and radicals as Tony Judt Noam Chomsky George Steiner Daniel Boyarin Marc Ellis Israel Shahak and many others Its writers demonstrate that the foundation of the state of Israel far from being the primal sin alleged by its accusers was one of the few redeeming events in a century of blood and shame *The Israelites* Antony Kamm,1999 With an appendix providing a chronology the Hebrew alphabet weights measures and coins the Jewish calendar and a guide to further reading for easy reference this is an accessible user friendly introduction which is indispensable to students as a starting point for studying the history culture and development of the people of Israel **Englishmen Not Israelites: an Answer to "Twenty-seven Identifications" and "Flashes of Light" [by Edward Hine.]** John Wilkinson (Missionary to the Jews.),1877 *Israel*
