Alberto Soggin,1999 Steering a middle course between those who argue that a history of Israel can no longer be written because the sources that we have prove inadequate and what now seems to be the extreme conservatism of the old classic John Bright s *History of Israel* this book presents all the problems and where they cannot be resolved provides the evidence and leaves the reader with the current situation The Jewish Forum ,1926 **The Religion of Israel to the Fall of the Jewish State** A. Kuenen,1882 **The Jewish Encyclopedia: Apocrypha-Benash** Isidore Singer,1902 **Israel's Account of the Beginnings** Walter Melville Patton,1916 Israel Among the Nations Alfred E. Kellermann,Kurt Siehr,Talia Einhorn,2025-02-10 This book written on the occasion of Israel s 50th Anniversary underlines the tension between Israel the unique Jewish State among nations and Israel a nation like many others On the one hand it analyzes her special features the founding of the State Israel s contributions to the development of the Law of Nations and her complex relations with the United Nations On the other hand it cautions against originality where harmony is required Citizens can only enjoy their rights and freedoms if constitutionalism and constitutional values are given a firm legal basis Legislation and jurisprudence must provide them with the certainty and the security needed to acquire rights conduct their affairs and engage in transactions both domestic and foreign The experience gained in the European Community and other European States on their road to harmonization could provide helpful guidance *The Beta Israel (Falasha) in Ethiopia* Steven Kaplan,1992 The origin of the Black Jews of Ethiopia has long been a source of fascination and

controversy Their condition and future continues to generate debate The culmination of almost a decade of research The Beta Israel Falasha in Ethiopia marks the publication of the first book length scholarly study of the history of this unique community **Transactions - The Jewish Historical Society of England** Jewish Historical Society of England,1982

The Jewish Encyclopedia: God-Istria Isidore Singer,1904 *Ancient Israel's History* Bill T. Arnold,Richard S. Hess,2014-11-11 The history of Israel is a much debated topic in Old Testament studies On one side are minimalists who find little of historical value in the Hebrew Bible On the other side are those who assume the biblical text is a precise historical record Many serious students of the Bible find themselves between these two positions and would benefit from a careful exploration of issues in Israelite history This substantive history of Israel textbook values the Bible s historical contribution without overlooking critical issues and challenges Featuring the latest scholarship the book introduces students to the current state of research on issues relevant to the study of ancient Israel The editors and contributors all top biblical scholars and historians discuss historical evidence in a readable manner using both canonical and chronological lenses to explore Israelite history Illustrative items such as maps and images visually support the book s content Tables and sidebars are also included [The Origin and Character of the Bible](#) Jabez Thomas Sunderland,1908 *The Jewish Quarterly Review* Cyrus Adler,Solomon Schechter,Abraham Aaron Neuman,Solomon Zeitlin,1921 **A History of Israel in Old Testament Times** Siegfried Herrmann,1975 **The Jewish Encyclopedia** Isidore Singer,1903 **Ethiopian Jews and Israel** Michael Ashkenazi,Alex Weingrod,1987-01-01 Ethiopian Jews have been immigrating to Israel in ever increasing numbers since 1979 This volume describes the phenomenon and explains the issues related to the Ethiopians absorption by Israeli society The authors explore the immigrant s lives as Ethiopians the experience of other waves of immigrants to Israel and applicability of theoretical issues deriving mass immigration in the experience of other societies They examine the effects of immigration on the immigrants as well as on the host itself The volume addresses a broad range of themes deriving from the very real problems inherent in this immigration It will be of value to all those interested in Middle Eastern and immigration studies Michael Ashkenazi is the senior instructor of anthropology at Ben Gurion University of the Negev He is the author with Alex Weingrod of *Ethiopian Immigrants in Beersheva An Anthropological Study* Alex Weingrod is the Chilewich Professor of Anthropology at Ben Gurion University of the Negev He is the author of *After the Ingathering Studies in Israeli Ethnicity Israel A Study in Group Relations and Reluctant Pioneers* **Classified List ...** Princeton University.
