## The Jury:

**The Jury's Back** Ralph Sistrunk, 2008-08-12 An exciting story of the life of a man from his early years as a hungry orphan to his rewarding achievements as a successful trial lawyer He entertains with gusto as we experience some of his exciting cases as well as his madcap personal experiences The true murder case is so unbelievable and spellbinding it transcends reality as it unravels and becomes comical and then the irony in its conclusion His selection of the title **The Jury's Back** gives real insight into the fervor associated with the conclusion of a trial Throughout we feel the authors desire to inspire young people to succeed It also provides a good test to determine if you could be a good trial lawyer

**We, the Jury** Jeffrey B. Abramson, 2000 This magisterial book explores fascinating cases from American history to show how juries remain the heart of our system of criminal justice and an essential element of our democracy No other institution of government rivals the jury in placing power so directly in the hands of citizens Jeffrey Abramson draws upon his own background as both a lawyer and a political theorist to capture the full democratic drama that is the jury We the Jury is a rare work of scholarship that brings the history of the jury alive and shows the origins of many of today's dilemmas surrounding juries and justice
