The Secret Book of Revelation : the Last Book of the Bible Quispel, Gilles,1979      **The Secret Book of Revelation** Gilles Quispel,1979      The Secret Book of Revelation : the Last Book of the Bible Quispel, Gilles,1979      **The Secret Revelation** Stella Religa,2001 Challenging this generation s Christians with a hopeful and original interpretation of John s prophecy based on The Urantia Book this guide provides a comprehensive introduction to the Urantia Revelation      The Secret Place of God's Power Bill Vincent,2019-01-24 Many have a desire to be a powerful man or woman of God The Secret Place of God s Power by Bill Vincent will truly stir your faith By using Biblical principles Bill outlines much revelation for today s saints of God to walk in power The power of God is the result of finding God it what is known as the Secret Place This book has been compiled from all the lessons I have learned and grown to know the Lord He has been my closest friend and all this is found in the secret place Before finding this revelation I flowed in little to no power of God It is time for the Church to grow in power Everyone wants someone to lay hands on them and impart the power of God There may be a truth to real impartation but it still will not come without a price This book has been a long time coming but is necessary You will learn to overcome religion get closer to God find the power of God and experience Heaven God spoke to me that this book has been brought to get His people to find the Secret Place and discover His Power Bill spends a lot of time seeking the face of God concerning current cutting edge things The ministry is more than just being a minister The First Chapter takes you into the Secret Place You will find by spending time with God will usher in provision promotion increase of Godly knowledge and so much more Bill has a way to say things many different ways until you get it There are many things that you will learn about Heaven on Earth and how to become a source that God can use in a mighty way The Secret Place of God s Power is more than a book it is learning to be led by the Holy Spirit being a deliverer to all who need set free and increasing in the anointing and power of God You are going to be truly encouraged with this power packed book It is time for us all to find God in a deeper and intimate way      **The Genesis of Revelation** Aerik Vondenburg,2013-07-26 According to Jesus the primary message of his teachings were hidden from those who were not ready to know the deeper truth Mark 4 22 and Luke 19 42 This special knowledge is related to what is referred to in the Old Testament as the secret things of the Lord Deuteronomy 29 29 Until now the sacred secrets of the kingdom of God Luke 8 10 and Matthew 13 11 have never been made public to the world However clues left in the ancient texts including the Bible itself have made it possible to understand and reveal these shocking matters for the first time What the ground breaking findings reveal is that almost everything that is commonly known about the Bible God and Jesus is wrong      *Revelations* Elaine Pagels,2012-03-06 A startling exploration of the history of the most controversial book of the Bible by the bestselling author of Beyond Belief Through the bestselling books of Elaine Pagels thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels As one of the world s foremost religion scholars she has been a pioneer in interpreting these books and illuminating their place

in the early history of Christianity Her new book however tackles a text that is firmly dramatically within the New Testament canon The Book of Revelation the surreal apocalyptic vision of the end of the world or is it In this startling and timely book Pagels returns The Book of Revelation to its historical origin written as its author John of Patmos took aim at the Roman Empire after what is now known as the Jewish War in 66 CE Militant Jews in Jerusalem fired with religious fervor waged an all out war against Rome s occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome Soon after however a new sect known as Christians seized on John s text as a weapon against heresy and infidels of all kinds Jews even Christians who dissented from their increasingly rigid doctrines and hierarchies In a time when global religious violence surges Revelations explores how often those in power throughout history have sought to force God s enemies to submit or be killed It is sure to appeal to Pagels s committed readers and bring her a whole new audience who want to understand the roots of dissent violence and division in the world s religions and to appreciate the lasting appeal of this extraordinary text

**Seven Keys** Jon Paulien,2009

**The Secret of the Small Scroll, a Book about Revelation** Joyce Macbeth,2012 The Book of Revelation was written mainly for the common people who came to believe in the Almighty God through Jesus of Nazareth The first key to understanding is not found in the symbols or the language used by John of Patmos It is only when we can see how the story is constructed that the symbols and the word usage make sense The Message of the Small Scroll will help you see some things in a different light such as The seals trumpets and bowls do not represent three versions or three phases of one event The number 666 does not represent just one number nor does it identify only one man The Rapture does not happen before the Tribulation There is much more This book is intended to explain the basic elements of Revelation so you may know for yourself what John was trying to tell us Join The Message of the Small Scroll author Joyce Macbeth so you can both work to understand the story that John put before us

Mystery and Secrecy in the Nag Hammadi Collection and Other Ancient Literature: Ideas and Practices Christian H. Bull,Liv Lied,John D. Turner,2011-10-28

Mystery and secrecy were central concepts in the ritual rhetoric and sociological stratification of antique Mediterranean religions That the ultimate nature and workings of the divine were secret and either could not or should not be revealed except as a mystery for the initiated was widely accepted among Pagans Jews and then Christians both Gnostic and otherwise The similarities and differences in the language of mystery and secrecy across religious and cultural borders are thus crucial for understanding this important period of the history of religions The present anthology aims to present and analyze a wide selection of sources elucidating this theme reflecting the correspondingly wide scholarly interests of Professor Einar Thomassen in honor of his 60th birthday

**The Genesis of Revelation** Aerik Vondenburg,2012-03-18 According to Jesus the primary underlying message of his teachings was hidden from those who were not ready to know the truth Mark 4 22 and Luke 19 42 This special knowledge is related to what is referred to in the Old Testament as the secret things of the Lord Deuteronomy 29 29 Until now the sacred secrets of the kingdom of God Luke 8 10 Matthew13 11 have never been made public to the world However clues left to us in the writings of the ancient Gnostic Christians as well as the Bible itself have made it possible to understand and reveal these incredible hidden matters for the first time in the modern era The result with shake the very foundations of Judeo Christianity What the ground breaking findings reveal is that almost everything that the world knows about the Bible were formulated by men who did not understand the true underlying history and teachings of God and Jesus What the findings reveal is that almost everything that the world knows about God Jesus and the Bible is wrong **The Constructive Quarterly** Silas McBee,1922 **Lectures on the Revelation of S. John the Divine** George Frederick Holden,1903 *Catalogue of Printed Books* British Museum,1895 [The Secret Revelation of John](#) Karen L. King,2009-02-28 Lost in antiquity rediscovered in 1896 and only recently accessible for study The Secret Revelation of John offers a firsthand look into the diversity of Christianity before the establishment of canon and creed Karen L King offers an illuminating reading of this ancient text a narrative of the creation of the universe and humanity and a guide to justice and salvation said to be Christ s revelation to his disciple John Freeing the Revelation from the category of Gnosticism to which such accounts were relegated King shows how the Biblical text could be read by early Christians in radical and revisionary ways By placing the Revelation in its social and intellectual milieu she revises our understanding of early Christianity and more generally religious thought in the ancient Mediterranean world Her work helps the modern reader through many intriguing but confusing ideas in the text for example that the creator god of Genesis a self described jealous and exclusive god is not the true Deity but a kind of fallen angel or in an overt critique of patriarchy unique in ancient literature the declaration that the subordination of woman to man was an ignorant act in direct violation of the holy height In King s analysis the Revelation becomes not strange but a comprehensible religious vision and a window on the religious culture of the Roman Empire A translation of the complete Secret Revelation of John is included **The International Standard Bible Encyclopaedia** James Orr,1915 **The Secret Doctrine** Helena Petrovna Blavatsky,1897
