The Secret Order:

A Secret Order H. P. Albarelli, Jr., 2013-04-01 Reporting new and never before published information about the assassination of John F Kennedy this investigation dives straight into the deep end and seeks to prove the CIA s involvement in one of the most controversial topics in American history Featuring intelligence gathered from CIA agents who reported their involvement in the assassination the case is broken wide open while covering unexplored ground Gritty details about the assassination are interlaced throughout while primary and secondary players to the murder are revealed in the in depth analysis Although a tremendous amount has been written in the nearly five decades since the assassination there has never been until now a publication to explore the aspects of the case that seemed to defy explanation or logic *The Scotland Spy* T. H. Henning, 2007-10 When ancient Rome dominated the known world in the beginning of the first century the Roman military established outposts on the borders of its territories to serve as guardians of the empire Soldiers stationed at the Roman forts on the fringe of the empire would often marry local women in the villages around their post Sometimes they would be recruited by their new families the barbarian enemies of Rome to serve the barbarian tribes own interests Early first century monks from suppressed secret religious societies and pagan priests would also try to recruit the Roman soldiers to join their religious orders The activities of these ancient Roman outposts were not dissimilar to the military listening stations and surveillance outposts established on the outer most borders of Western civilization that surrounded the Soviet Union in the middle of the 20th century T H Henning *The Scotland Spy* The Beginning During the Cold War many intelligence alliances were formed between foreign and U S agencies Men and women who had served in overseas assignments in military intelligence were actively recruited to join international clandestine organizations Some of these secret organizations had started as secret societies in monasteries during the middle ages Max Warren a spy stationed in Scotland was recruited into the JASON Mission Office which was allied with a Secret Order of warrior monks As an undercover agent Max was assigned to missions that occurred in the United States Europe Asia and the Soviet Union After many years he finally connects the seemingly unrelated JASON missions and learns that he had participated in an intricate and deadly international chess match *The Encyclopaedia Britannica* Day Otis Kellogg, Thomas Spencer Baynes, William Robertson Smith, 1902 **The Odd Fellow, Or, The Secret Association, and Foraging Peter** Joseph Holt Ingraham, 1846 *The Secret Life of Jesus the Essene* Raymond W.
