

A scenic photograph of a sunset over a rocky coastline. The sky is a gradient of orange and yellow, transitioning into a darker blue at the horizon. The ocean is dark, with white foam from waves crashing against a line of dark, jagged rocks in the foreground. The overall mood is serene and contemplative.

Immortality is attained in proportion as personal sense is overcome, whether here or hereafter. As we put off the personal ego and attain the consciousness of our real Self – the Reality of us, divine Consciousness – we attain immortality. And that can be achieved here and now.
