

Discovering Great American Inventors

Charles Goodyear, An Inventor, not an Industrialist

A Review of "Trials of an Inventor: Life of Charles Goodyear"

"Probably no man [Charles Goodyear] who has made a discovery at once so great, and of such immediate, practical benefit to the race, ever before passed so quietly out of his place and generation, receiving so slight an acknowledgment for the service he has performed. ...

"The false stories that were circulated ... in order to hinder his obtaining an extension of his patents, prejudiced many persons against one of the most unostentatious, personally economical, pure-minded, and pious men that has adorned his generation by his life and discoveries."
