**Tricia Guild: Decorating with Color** Tricia Guild, 2015-09-15 One of the world's foremost interior designers focuses on color and its use in creating truly evocative personal interiors. For forty years Tricia Guild has set the pace with her acclaimed interiors and up to the minute collections of fabrics, wallpapers and furnishings. She is celebrated for her extraordinary gift for combining bold patterns, chinoiserie and Indian influences with contemporary lines and an impeccable sense of color that has made her one of the most sought after interior designers today. Here she shares her systematic approach to understanding and working with color, pattern and texture, exploring themes that shape and inspire her stylish and sensuous yet playful sensibility. She begins by defining her notion of five basic color families and then demonstrates how to use color and pattern with impact and confidence to create glamorous, dramatic environments. With a knack for beautiful and dramatic spaces that do not sacrifice comfort, Tricia Guild shares her years of experience in creating memorable living spaces. Examples from her own acclaimed designs, coupled with stunning original photography of real world examples from all over the globe, from contemporary London lofts to coastal New England cottages and California Wine Country estates, complements a text rich in insight from the designer's perspective.

**Tricia Guild on Color** Tricia Guild, 1995 *Tricia Guild* Tricia Guild, 2010-09-28 Published on the eve of the fortieth anniversary of Designers Guild, this lavishly illustrated portfolio showcases the latest interior designs by one of the world's most acclaimed designers. This is Tricia Guild's most ambitious and sumptuous book to date, a stunning survey of interiors that feature her signature sense of contemporary traditional style with layers of pattern, bold colors and varying textures. Always at the forefront of interior design, Tricia Guild has achieved critical acclaim with her up to the minute collections of fabrics, wallpapers and furnishings that showcase her unparalleled gift for color, innate understanding of space and proportion and sheer brilliance at mixing patterns and textures. She blends femininity and understated elegance in her uniquely innovative yet classic approach, whether designing a sleek Manhattan loft, a casual English country bedroom, a rustic Mediterranean style hacienda or an eclectic Parisian apartment. Truly a feast for the eye, the book features layers of pattern and color, a stunning binding with several different materials and textures and three different types of paper. Original six color photographs and a text rich in insights from the designer's own design briefs and sketches make this a useful sourcebook for professionals and will inspire anyone aspiring to decorate their own home.
