Trilogy On Prayer:

A Trilogy on Prayer Thomas F. Burke, 1930 *Prayer Trilogy* Kimberly Gordon, 2011-10-21 Will prayer and providence bring a family together after years apart Can it possibly heal the broken connections Set in the late 1800 s in Colorado Prayer Trilogy is the story of the Jenkins and Davidson families one nearly starving on their farm and the other a prosperous business family in the city of Denver Neither family is perfect but both know the power and comfort of prayer that sustains their relationship with God These stories provide a wonderful reminder that prayer is the key to our intimate relationship to God The characters are flawed but that only enhances the power and compassion of God in their individual lives to weave a family tapestry and even a larger community picture These stories will appeal to young and old alike They are clean reads based on Christian principles and experience designed to be read in your family

[Apatheia in the Christian Tradition](#) Joseph H. Nguyen SJ, 2018-02-21 To many modern people apatheia being without suffering without passion sounds like cold heartedness and indifference to others a condition to be avoided However in the classical world and for many in the historic Christian church it was a spiritual state to aspire to What exactly is apatheia What is its origin How has it been used in spiritual writings

throughout the centuries of Christian practice And how may it help us today to articulate a Christian understanding of the soul s spiritual well being The central aim of the book is twofold to rediscover the meaning and function of the Greek term apatheia as it was understood and employed by the Stoics in their philosophical and religious writings and to explore how the theologians of the church Origen Evagrius John Cassian Maximus and Ignatius of Loyola interpreted apatheia for their spiritual practice Nguyen argues that the concept of apatheia in the Christian spiritual tradition connotes the state of spiritual peace or well being of the human soul wherein excessive and negative emotions such as lust excessive desire for food and drink anger envy resentment self love and pride are replaced by reasonable desires love and humility

Praying as Jesus Taught Us to Pray Steve Langford,2025-01-23 This book is for anyone who struggles in knowing how to pray The book explores the Lord s Prayer the how to pray guide that Jesus taught in response to an unnamed disciple s request Lord teach us to pray The book develops the structure of the prayer the address the first three petitions about God and the last three petitions dealing with the stuff of our lives identifying the spiritual truths upon which each section is built It shows how those spiritual truths speak to our anxiety and worries about the present our guilt regret and shame about the past and our fears about the not yet experienced future Treating the prayer Jesus taught as a how to pray guide the book shows us how our experience of prayer can become more meaningful and fulfilling a way of connecting with God as we grow spiritually into the likeness of Christ
