## Truly Seeing:

*Be Still* Melissa G. Merlino, 2008-10-01 This book was conceived out of my recovering from drug addiction and alcoholism The poetry that has been included in this volume has been an inspiration to other addicts and alcoholic as I shared them at my various fellowships My hope as I wrote this volume is to share a little strength and hope to others like myself who have began the journey of recovery Also providing light to those who have not yet found their way back to their divine selves Through God there is hope peace joy and happiness That is what I bring in this collection Just a little bit of the gift of my God A little bit of the joy I feel each day And the happiness and freedom I share on a daily bases with my fellows **To See the Buddha** Malcolm David Eckel, 1994-12-19 Boston University Professor Malcolm David Eckel takes us on a contemporary quest to discover the essential meaning behind the Buddha s many representations Eckel shows that the dimensions of early Indian Buddhism popular art conventional piety and critical philosophy all work together to express the same religious yearning for the fullness of emptiness that Buddha conveys Reform, Representation and Theology in Nicholas of Cusa and His Age H. Lawrence Bond, Gerald Christianson, 2023-03-31 While most works on Nicholas of Cusa concentrate either on his early career as author of the monumental Catholic Concordance or on his later career as writer of remarkable philosophical theological works such as *On Learned Ignorance* and *The Vision of God* the essays included here attempt to address the whole Cusanus sharing common contexts issues and themes Following chapters on the legacy of conciliarism and ecumenicity the story begins with the Council of Basel for which Cusanus wrote *The Catholic Concordance* but from which he broke away raising issues of private conscience as well as the balance between papal authority and representative councils in the pursuit of reform The story then turns to the matrix between Constantinople and a new council in Ferrara when Cusanus received a ship board gift from the Father of Lights and began to write his great philosophical theological treatises When taken together the essays in this book not only form a cohesive whole they also enlighten aspects often left in the shade such as the enigmatic aspects of Cusanus participation in the council and his mystical theology that reveals a man of faith in search of certainty beyond the well trod paths of philosophical reflection Works Thomas Carlyle, 1871 **Works** John Ruskin, 1907 God and Little John: The Conversation about Immortality Eliyah Oren, 2023-08-31 Are you ready to embark on a mesmerizing journey through the realms of your own consciousness Prepare to be enchanted by GOD and Little John a spellbinding literary masterpiece that delves into the very fabric of existence unlocking the secrets of inner wisdom and transformation In this extraordinary tome you ll be guided through a labyrinth of philosophical exploration soulful introspection and alchemical wonders that will leave you both awe inspired and spiritually fulfilled Before the Revelation Have you ever found yourself pondering the enigmas of life Felt trapped in the cycle of monotony Or perhaps struggled with desires and fears that seem to shape your reality If so you re not alone Many of us encounter these perplexities on our life s journey yearning for answers that elude us GOD and Little John is your key to unlocking these mysteries offering profound
