The Twentieth Century ,1927 **A Trunk Full of Tales** Samuel E. Campbell,2016-10-28 This book has been a work of love for my two boys now grown men I started it when they were boys and have now finally finished it The story is a moral fantasy adventure in the fashion of C S Lewis My hope is that my boys and their children will enjoy this adventure and bring generations of young and old much pleasure I m not ashamed that this book is Christian in its manner nor that it has a moral at the end that I hope is not lost in the adventure of the story There be pirates dragons knights dwarfs and a multitude of creatures that will lead you on a quest of an adventure as you peruse these pages These are all of the things I was wont to read as a child and still as an adult I get pleasure out of reading about these creatures I hope they bring you as much joy and pleasure as they have brought me as I sat and wrote each line Dedicated to my two sons Aaron and Jeremy the main characters of the story I love you both with all of my heart and know that you will do great things in your lives and those of your wives and children Last but not least I thank God for the desire to write and the imagination that seems to flow out of my mind with the ease of turning on a faucet I truly pray that you will enjoy this story
