felt like you're working twice as hard as everyone else yet barely seeing results. Do you feel financially stuck despite having the skills, ambition, and drive to succeed? You're not lazy. You're not unlucky. And you're definitely not broken. The truth is this: hard work alone is not enough. Money is more than paper or numbers in a bank account; it is a response system. It reflects your beliefs, your identity, and the way you relate to value. When your internal money script is rooted in scarcity, fear, or self-doubt, you will unconsciously repel wealth, no matter how many hours you grind.

In *How to Attract Money*, personal development coach Josh Deck reveals the mindset shifts and daily habits that took him from a frustrated broke teenager to a life of financial peace, confidence, and abundance. This book is not about hustling harder; it's about aligning smarter. Inside this book, you'll discover:

- The True Nature of Money**: Why money behaves like energy and why it responds more to your internal state than your physical effort.
- Breaking Poverty Programming**: How to uncover and rewrite the silent childhood beliefs and social conditioning that secretly sabotage your income.
- Identity Before Income**: Why you must become the person money flows to and how shifting your self-image changes your financial reality.
- The Law of Value**: Why money is attracted to usefulness, not desperation, and how to turn your natural strengths into sustainable income streams.
- Practical Wealth Habits**: Simple, actionable daily behaviors that build financial confidence and open multiple channels for money to flow into your life.

This is not a get-rich-quick scheme; it's a mindset reset. A practical roadmap for transforming your relationship with money from the inside out. Wealth begins in the mind. If you're ready to stop chasing money and start attracting the life you deserve, scroll up and get your copy today.

The Spirit Called Money Efofa Ogiamien, 2015-12-29. We live in a world deeply engrossed in materialism. To keep up with the craze, people do all sorts to acquire money. What some people do for money in some cases are unspeakable. Money is good, no doubt, but sadly, most men have become subservient to money, which is supposed to be the servant. Unknown to most people, money is not a physical element; it is a spirit. There is a spirit called money. This book takes you on a discourse of the subject and attempts to draw attention to an angle almost everyone ignores: the acquisition, retention, preservation, and multiplication of money. It is recommended that the reader who isn't interested in the secret behind money should not read this book.
