Truth Of Authority:

Truth and Authority in Modernity Lesslie Newbigin, 1996 Analyzes the sources of truth and authority in the modern way and how science the dominant truth in our society has become a means to power rather than a pathway to a true understanding of the human situation *By what Authority?* Jiddu Krishnamurti, 1927 **The Truth about Authority** Group Publishing, Incorporated, 1997-06 **Voices of Authority** Nicholas Langrishe Alley M Lash, 2005-01-12 Nicholas Lash born in 1934 is Norris Hulse Professor Emeritus of Divinity at the University of Cambridge where he occupied that chair from 1978 until his retirement in 1999 He is the author of some fourteen books and four hundred essays and papers He was for eighteen years a member of the central directorate of the international Roman Catholic journal Concilium and is a founding member and past president of the Catholic Theological Association of Great Britain A volume of his sermons is due to be published in London in 2005 by Darton Longman and Todd who will also publish a volume of his essays in 2006 He is married with one son and continues to live in Cambridge *Truth and Authority in Modernity* Lesslie Newbigin, 1996 In this brilliant and tightly reasoned volume well known author Lesslie Newbigin analyzes the sources of truth and authority in the modern world He acknowledges that modern society treats all claims to authority with suspicion With what authority then can and does the Christian church present the gospel to modern society Bible tradition reason and experience are all used in answering this question and this book seeks to examine their proper use and their relations to each other **Brownson's quarterly review**, 1873 *The Gift of Truth* Stephen David Ross, 1997-01-01 Reexamines the good tracing the history of the idea of truth as an ethical movement and interpreting the good as nature's abundance giving beauty and truth as gifts *Our Day*, 1888 *Unity*, 1882 *That Legitimate Authority is an Evidence of Truth. [i.e. Charles Zachary Macaulay.]), 1871 **Handbook of New Age** Daren Kemp, James R. Lewis, 2007 The Handbook of New Age is a comprehensive survey of alternative spiritualities their history their global impact their cultural influence and how they are understood by scholars Chapters by many of the leading scholars of the movement give the latest analysis of contemporary spiritual trends and present up to date observations of the interaction between the New Age movement and many different fields of knowledge and research **Littell's Living Age** Eliakim Littell, Robert S. Littell, 1877 *Annual Session of the Baptist Congress*, 1890 *Authority* Arnold van Couthen Piccardt Huizinga, 1911 **Authority in the Church of England** Gordon Crosse, 1906 *Most Evil Is Done by Good People Who Do Not Know That They Are Not Good* Ferd L. Wagner, 2010-05 This book takes the view that Christian truth is the basis for all answers to social issues and that there are not two opposing but equal answers within Christian truth that

are equally valid and equally acceptable to God Any so called truth or right that circumvents or undercuts the required sacrifices disciplines and self denial demanded by God in any given social or moral issue ceases to be truth ceases to be right the moment it becomes a force unto itself outside of or independent of the Scripturally required obedience Human history has shown over the millennia that when the letter and spirit of God s laws are not obeyed the truth is abused nations become confused and people are used Many of our political and social issues are rooted in our misplaced belief that tolerance inclusion equal respect for unequal truth and live and let live is the way to greater peace and prosperity They are all wrong Each individual government and nation is judged by their response to Christ The Christian nation or one which ascribes to being one is tasked to set the Christian standard as every nation s point of reference It is the Christian s duty to show that the valid rule of God s law the letter of God s law and the spirit of God s law are superior to any other alternative standard The biggest obstacle to Christianity today is the undisciplined misinformed and unfaithful lifestyles of professing Christians The Church has become so indoctrinated in its aversion to any form of discrimination that it has placed a higher priority on keeping the peace by compromising than by keeping the truth by discriminating By accepting a false peace and rejecting a hard truth that resists compromise it begets neither peace nor truth
