Russian Learner's Dictionary Nadezhda L. Peterson, 2005 40 lessons on three compact discs with coursebook learners dictionary and wallet phrase card for travelers **Byzantine Hermeneutics and Pedagogy in the Russian North** Robert Romanchuk, 2007-12-29 The Kirillov Monastery at White Lake in the far north of the Muscovite state was home to the greatest library and perhaps the

only secondary school in all of medieval Russia This volume reconstructs the educational activities of the spiritual fathers and heretofore unknown teachers of that monastery Drawing on extensive archival research published records and scholarship from a range of fields Robert Romanchuk demonstrates how different habits of reading and interpretation at the monastery answered to different social priorities He argues that spiritual and worldly studies were bound to the monastery's two main forms of social organization semi hermitic and communal Further Romanchuk contextualizes such innovative phenomena as the editing work of the monk Efrosin and the monastery's strikingly sophisticated library catalogue against the development of learning at Kirillov itself in the fifteenth century moving the discussion of medieval Russian book culture in a new direction The first micro historical ethnology of reading in the Early Slavic field Byzantine Hermeneutics and Pedagogy in the Russian North will prove fascinating to western medievalists Byzantinists Slavists and book historians
