## Ultimate Value Bible Case:

**Charisma and Christian Life**, 2004-07      **The Princeton Theological Review**, 1908 Includes section Reviews of recent literature      *Winona Echoes*, 1919      **Homicide in the Biblical World** Pamela Barmash, 2005 Homicide in the Biblical World analyses the treatment of homicide in the Hebrew Bible and demonstrates that it is directly linked to the unique social structure and religion of ancient Israel Close parallels between biblical law and ancient Near Eastern law are evident in the laws of the ox that gored and the pregnant woman who is assaulted but when the total picture of the process by which homicide was adjudicated comes into view what is most noticeable is how little of it is similar to ancient Near Eastern law This book reconstructs biblical law from both legal texts and narrative texts and analyses both the law collections and documents from actual legal cases from the ancient Near East      **unKingdom, Second Edition** Mark Van Steenwyk, 2020-02-21 In unKingdom Mark Van Steenwyk takes a hard look at the ways Christianity has become complicit in imperialism and genocide particularly in North America With a blend of humility wit and sharp critique he proposes a prophetic way forward through practices of revolutionary repentance      **The Bible and Spirituality** Andrew T. Lincoln, J. Gordon McConville, Lloyd K. Pieteresen, 2013-07-05 The essays in this volume aim to contribute to the newly developing academic subject of biblical spirituality It is prompted by the belief that although the Christian tradition has always nurtured an emphasis on spirituality rooted in the Bible and its interpretation few biblical scholars until recently have pursued their work by making connections with either this religious tradition or present day interest in the broader phenomenon of spirituality Spiritual interpretation has overlaps with theological interpretation but is distinctive because of its focus on the wisdom of lived experience and practice The essays therefore attempt from within the context of the academy responsible readings of Scripture that have as a major focus the study of how particular texts might contribute to a spirituality in which individual and communal flourishing is a major feature The essays began as papers produced for an international symposium on the Bible and Spirituality in May 2012 hosted by the Centre for the Study of the Bible and Spirituality in the School of Humanities at the University of Gloucestershire      **The SAGE International Encyclopedia of Music and Culture** Janet Sturman, 2019-02-26 The SAGE Encyclopedia of Music and Culture presents key concepts in the study of music in its cultural context and provides an introduction to the discipline of ethnomusicology its methods concerns and its contributions to knowledge and understanding of the world s musical cultures styles and practices The diverse voices of contributors to this encyclopedia confirm ethnomusicology s fundamental ethos of inclusion and respect for diversity Combined the multiplicity of topics and approaches are presented in an easy to search A Z format and offer a fresh perspective on the field and the subject of music in culture Key features include Approximately 730 signed articles authored by prominent scholars are arranged A to Z and published in a choice of print or electronic editions Pedagogical elements include Further Readings and Cross References to conclude each article and a Reader s Guide in the front matter organizing entries by broad topical or

thematic areas Back matter includes an annotated Resource Guide to further research journals books and associations an appendix listing notable archives libraries and museums and a detailed Index The Index Reader s Guide themes and Cross References combine for thorough search and browse capabilities in the electronic edition
