Modest Mouse Alan Goldsher, 2006-11-14 **THE BEST WAY TO BECOME A ROCK STAR IS SOMETIMES THE WORST WAY TO BECOME A ROCK STAR** Unruly and antagonistic the Washington State rock trio Modest Mouse would seem like one of the least likely candidates for mainstream stardom Their often brilliant live performances sometimes collapsed into utter chaos Their highly original highly off center songs ran as long as eleven minutes And their leader managed to raise eyebrows among music writers law officials and sometimes even his fans But Modest Mouse persevered They didn't compromise their original compelling musical style nor

did they lighten up on the attitude They just waited for the world at large to catch up In 2004 with the release of their smash single Float On it finally happened And it was worth the wait For everybody Journalist Alan Goldsher uncovers the strange little known details of Modest Mouse s rise from DIY indie heroes to platinum selling Grammy nominated international superstars Goldsher also reveals the troubled background and fractured history of frontman Isaac Brock a charismatic cantankerous singer songwriter who has spent as much time avoiding the media as he has attempting to control it Thoroughly researched sharply funny and filled with more than thirty rare photos this unauthorized biography shows how Modest Mouse trashed the Behind the Music mold and created their own unique version of the rock n roll rags to expensive rags success story *X-Ray* Ray Davies,2007-10-30 Like his songs Davies s book is alternately poignant funny and bawdy indispensable for Kinks fans and recommended for anyone interested in 1960s pop music Library Journal This subversively brilliant one of a kind rock autobiography is ingeniously styled as a biography written by a nameless faceless writer hired by an Orwellian entity called the Corporation to capture the essence of Ray Davies lead singer and songwriter of the Kinks and one of the greatest rock and rollers of all time The Kinks frontman reveals his life and times to the young writer often seemingly passing his stories directly into the writer s consciousness Carnaby Street Top of the Pops the Cavern Club the Beatles the Rolling Stones the Who and other fixtures of the times fade in and out of this compelling narrative Part autobiography part social history part psychological thriller this elusive and daring book exposes rock stardom as the heaven hell and purgatory it is In an age when everybody s in show business and writes a lousy book about it Ray Davies is to be honored for not doing the usual thing We would expect no less of him Rolling Stone A major addition to pop culture literature Booklist **Martha, Really and Cruelly** Tom Connor,Jim Downey,2013-07-16 From the wise guys behind *Is Martha Stewart Living* comes a hilarious parody of the lifestyle maven s autobiography Long before Martha Stewart s insider trading scandal Tom Connor and Jim Downey had been spoofing her announced then postponed autobiography *Martha Really and Truly Now* in *Martha Really and Cruelly* the best selling humor duo delivers their own version of events leading up to her sensational downfall Written in Martha s voice this faux autobiography reveals early incidents of unethical playing house tactics questionable Kool Aid stand practices highly suspect home ec grades and devious dating strategies And that s before she s out of her teens If anyone can take uncannily accurate aim at the Dominatrix of Domesticity it s Connor and Downey Their breakout best seller *Is Martha Stuart Living* was followed by *Martha Stuart s Better Than You* at *Entertaining* and *Martha Stuart s Excruciatingly Perfect Weddings* **The Guy Under the Sheets** Chris Elliott,2012-10-11 This hugely entertaining pack of lies reads like a Woody Allen essay from the *New Yorker* David Pitt Booklist Is Chris Elliott a highly successful and beloved comedian or a slightly dim witted notalent from a celebrity family who managed to convince a generation of disillusioned youth that he was funny From a ghastly childhood on the posh Upper East Side to his first job entertaining mobsters with his Judy Garland impersonation *The Guy Under the Sheets* is packed with countless episodes

from the life of a mediocre artist who somehow faked his way to the top of semi moderate fame and fortune Woven throughout the ctional fun in Elliott s memoir are wonderful real life anecdotes that will delight many new readers and loyal fans alike The arc of Elliott s career remains unique and inspiring that he blazed a trail for Arrested Development and Community and all the other freaky convention outing TV comedies Grantland

One Yooper'S Journey Jack Perante,2017-04-05 One Yoopers Journey An Unauthorized Autobiography is a fictionalized autobiography It needs to be fictionalized just as a resume needs to be embellished It may not be as believable but the fictionalized parts are intended to be much more entertaining The events described in the book really happened The specifics such as the minute details and the dialogue may not be historically accurate The term unauthorized autobiography though somewhat oxymoronic has a purpose Real Yoopers may take exception to the use of this word in the title since the author has lived most of his life outside of the Upper Peninsula His journey parallels at times and intersects at other times with the journey of his favorite relativehis Uncle Hal Nowell Uncle Hal teams up with him from time to time with a mix of shared adventures and misadventures The author was positively influenced by the town and the many good people of Escanaba

Close Calls Jeremiah Reedy, 2009-12-29 The title of these memoirs may suggest that I wrote them against my will That would be only half right A part of me wanted to write an account of my life and another part of me opposed doing so In the end I overcame my misgivings and went ahead I realize that writing one's memoirs may sound pretentious since it used to be that only important people such as former presidents and retired diplomats did so This is no longer the case there are now kids of twenty five who are writing memoirs There are several advantages in recording one's memoirs instead of writing history For one thing readers can always criticize the historian if they find errors of fact The memoirist is however incorrigible in the original Latin sense of the word since no one can say That's not how you remember that event Another advantage is that it doesn't require a lot of research I have written fifteen page scholarly articles that have sixty five footnotes I've sometimes read whole books just to support one sentence with one footnote For a long time I've thought how much fun it would be to write something that wouldn't require months of research and it was fun Anyone who relaxes closes his eyes and travels back in time will be astounded to discover how much is stored deep down in the recesses of the mind I made outlines and drafts full of abbreviations and then I dictated to my computer using MacSpeech Dictate It's wonderful to speak and see the words appear on the screen Of course the first draft required extensive editing for many reasons but I enjoyed that too In a sense I only did what grandparents have done since tape recorders were invented but now technology enables us to turn it into a book The bare bones non scintillating style of what I have produced is partially due to the fact that it was dictated I could have spent months or even years polishing what I have written but as the poet Andrew Marvell put it At my back I always hear Time's winged chariot hurrying near I mainly have my grandchildren in mind as an audience but it may be that other relatives and even some friends will find the end product diverting I have no illusions about any widespread interest and I certainly don't expect to sell any copies or earn any royalties If there is a pattern to my life it is that Divine Providence repeatedly saved me from my own foolishness Time and again I wanted something desperately and didn't get it only to find that God had something much better in store for me There were many more close calls than I discuss herein many too frightening to contemplate or record Looking at what I've accomplished in another way a cynical friend once told me I haven't done as well as my friends expected but I've done better than my enemies hoped There is much to be thankful for My teacher Elizabeth Jarrett Andrew read a draft of the manuscript and made many valuable suggestions It is a pleasure to thank her publicly for her assistance and inspiration
