YOU ARE UNCONDITIONAL JOY

A frequency that is unconditional is self sufficient. It does not depend on anything external for its existence. The closest analogy that comes to mind is the Sun. Who you are as energy, does not depend on anything external for your existence. That is why you, as energy beings are capable of unconditional joy as your joy is not dependent on anything external for its existence.

Unconditional Joy:

Unconditional Joy Sevi Myumyun, 2016-09-24 We all get easily impatient sad feeling guilty in life These extreme feelings start rocking our foundation like an earthquake We can get caught up by these extreme yearnings instead of making the most of this moment this moment that we are in We start putting conditions on our happiness Simply choose to be happy no matter what Use your energy on something that is making you happy Holding a grudge is as if you are carrying 5 pound bag of smelly rotten potatoes with you wherever you go Kierkegaard's Writings, XVIII, Volume 18 Søren

Kierkegaard, 2009-10-05 Without authority a phrase Kierkegaard repeatedly applied to himself and his writings is an appropriate title for this volume of five short works that in various ways deal with the concept and practice of authority The Lily in the Field and the Bird of the Air contemplates the teaching authority of these creatures based on three different passages in the Gospels The first of Two Ethical Religious Essays mediates on the ethics of Jesus martyrdom the second contrasts the authority of the genius with that of the apostle The remaining works Three Discourses at the Communion on Fridays 1849 An Upbuilding Discourse 1850 and Two Discourses at the Communion on Fridays 1851 are meditations on sin forgiveness and the power of love

Kierkegaard and Dostoevsky Petr Vaškovíc, 2024-10-21 The book brings together the philosophy of Søren Kierkegaard with that of another prominent proto existentialist thinker Fyodor Dostoevsky Asking the question What constitutes an authentic Christian life the book explores the answer given by both authors which is that one should rid oneself of selfish inclinations and strive for a life of faith that revolves around the virtues of humility and non preferential love However as we learn from Dostoevsky and Kierkegaard becoming an authentic individual is no easy task and the book goes on to examine the obstacles that lie in the path of individual existential self development The book then examines the ways in which the various characters and pseudonymous authors who populate Dostoevsky's and Kierkegaard's books struggle in their attempts to become authentic ethical and religious individuals The examination of this struggle termed existential entrapment and
