Undefeated Americans:

Undefeated Americans Sherrod M. Flanders,2003-09 Weird stories have fascinated me since childhood For years I have been collecting them both at home and abroad These stories come from that collection A few seem to have their origin in folktales Others come from old books or newspapers Most were told to me by acquaintances or total strangers eager to unburden themselves to sympathetic ears I have given them their voice in this book Some describe haunting apparitions some sad and lost others terrifying gentle ones bringing comfort and love that reaches beyond the grave to heal a grief stricken mourner Perhaps the most haunting of all are the stories of little lost children still seeking a way home There are also accounts of strange creatures that seem to have no counterparts in our world of realities of malicious dancing lights of a gap in time that dropped the unsuspecting travelers into a tragic past event Taken together they give glimpses of the beautiful sometimes terrifying world that lies beneath the sunlit realities of our everyday lives **Undefeated Americans**

Documentary Film Sara Martín,2023-05-24 Most documentaries deal with men but what do they actually say about masculinity In this groundbreaking volume Sara Martín analyses more than forty 21st century documentaries to explore how they represent American men and masculinity From Jennifer Siebel Newsom's *The Mask You Live In* to Raoul Peck's *I Am Not Your Negro* this volume explores sixteen different faces of American masculinity the good man the activist the politician the whistleblower the criminal the sexual abuser the wrongly accused the dependent man the soldier the capitalist the adventurer the sportsman the architect the photographer the musician and the writer The collective portrait drawn by the documentaries discloses a firm critical stance against the contradictions inherent in patriarchy which makes American men promises of empowerment it cannot fulfill The filmmakers view of American masculinity emphasizes the vulnerability of disempowered men before the abuses of the patriarchal system run by hegemonic men and a loss of bearings about how to be a man after the impact of feminism accompanied nonetheless by a celebration of resilient masculinity and of the good American man Firmly positioning documentaries as an immensely flexible relevant tool to understand 21st century American men and masculinity their past present and future this book will interest students and scholars of film studies documentary film American cultural studies gender and masculinity **Encyclopedia of Sports in America** Murry R.
